What is the true story of Moses and the Exodus from Egypt The story has been variously told in such blockbuster movies as Cecil B DeMille s *The Ten Commandments* and Ridley Scott s *Exodus Gods and Kings* not to mention the animated *The Prince of Egypt* Despite various interpretations of novelists and filmmakers ancient sources are surprisingly complete in telling what really happened This book brings together two histories that tell his story The account in the Old Testament the Jewish Torah was purportedly written by Moses himself And Flavius Josephus the celebrated Jewish historian wrote *Antiquities of the Jews* in the first century The Bible section is from the American Standard Version written in modern English with readable paragraphing Included are selected chapters from Exodus Numbers Deuteronomy and Joshua The book includes a helpful appendix drawn from the Jewish Encyclopedia These accounts tell of the babe in the basket in the bulrushes the oppression of the Pharaoh who may have been Ramses II the burning bush the miracles and the plagues the parting of the Red Sea the Law of Moses and the Tabernacle in the wilderness We learn about the brass serpent the golden calf the manna and the quail We read about Moses wife Zipporah and his successor Joshua And we see the miraculous details of the forty years the Israelites spent wandering in the deserts of Sinai hoping to finally enter the promised land This book is must reading for students of the Bible of ancient history and of the biblical prophets as well as anyone who wants to know the true story of this great man one of the epic leaders of all time      Moses Mosheh Likhʹtenshtain,2008      Questions on the Life of Moses John Todd,1858      **The Call of Moses and the Exodus Story** Jaeyoung Jeon,2013-11-05 Jaeyoung Jeon examines and assesses recently suggested models for the formation of the Pentateuch through a redactional critical analysis of the Call of Moses Exod 3 4 and the Exodus story Exod 5 13 He observes that Exod 3 4 was formed through a series of stages of Deuteronomistic composition and redaction to which some post Priestly additions were made Comparative analysis suggests that the elements of Deuteronomistic formation precede P and that the direction of influence is from the non P narrative Exod 3 4 to the P call narrative Exod 6 Jeon also shows that although some of the literary layers in Exod 3 4 extend through the Exodus story Exod 5 13 the present form of the latter has been shaped by a post Deuteronomistic but pre Priestly composition based on an earlier proto Exodus story He therefore concludes that the Pentateuch or Hexateuch might be the product of a more complicated process of development than the current models describe
