**A Single Tear** Jamae Vandegraph, 2019-05-01 If only I could have been a daddy's girl I would not of had grown up in that monster's world. That monster he came calling for me in his house I was scared as can be. Jamae Vandegraph remembers and wishes she couldn't. She remembers the man long ago who took her to a cold dark unfurnished upstairs bedroom equipped with an old wooden tripod with a big camera that rested on its top. She remembers this room because this is where he undressed her and forced her to touch him. She remembers being cold scared and alone. Most of all she remembers closing her eyes and wishing she was anywhere but there. In an autobiographical collection of prose and poetry Vandegraph reflects on the anger and hurt that accompanied being a victim of sexual abuse as a young girl. In poignant verse that explores the terrifying moments when she was pulled out of her innocence and into the darkness Vandegraph shares how she was victimized and eventually healed through forgiveness self love and hope for a new future. A Single Tear is a memoir of prose and poems that leads others on a heartbreaking path through childhood sexual abuse and ultimately into the bright light of healing.
