**Mother Country** Jeremy Harding, 2020-05-05 When Jeremy Harding was a child his mother Maureen told him he was adopted. She described his natural parents as a Scandinavian sailor and a little Irish girl who worked in a grocery. It was only later as Harding set out to look for traces of his birth mother that he began to understand who his adoptive mother really was and the benign make believe world she built for herself and her little boy. Evoking a magical childhood spent in transit between west London and a decrepit houseboat on the banks of the River Thames. Mother Country is both a detective quest as Harding searches through the public records for clues about his natural mother and a rich social history of a lost London from the 1950s. Mother Country is a powerful true story about a man looking for the mother he had never known and finding out how little he understood the one he had grown up with.

*Mother Country* Irina Reyn, 2019-02-26 Starred reviews from Library Journal and Publishers Weekly. Award winning author Irina Reyn explores what it means to be a mother in a world where you can't be with your child. Nadia's daily life in south Brooklyn is filled with small indignities as a senior home attendant she is always in danger of being fired as a part time nanny. She is forced to navigate the demands of her spoiled charge and the preschooler's insecure mother and as an ethnic Russian she finds herself feuding with western Ukrainian immigrants who think she is a traitor. The war back home is always at the forefront of her reality. On television Vladimir Putin speaks of the reunification of Crimea and Russia the Ukrainian president makes unconvincing promises about a united Ukraine while American politicians are divided over the fear of immigration. Nadia internalizes notions of union all around her but the one reunion she has been waiting six years for with her beloved daughter is being eternally delayed by the Department of Homeland Security. When Nadia finds out that her daughter has lost access to the medicine she needs to survive she takes matters into her own hands. Mother Country is Irina Reyn's most emotionally complex urgent novel yet. It is a story of mothers and daughters and above all else resilience.
