fashioned hatred These dramas were shown in movies such as Roots The Ring School Daze Queen and even Bedroom Eyes to name a few seemingly condemning some shades of color in America These movies and others show how society in this era is fragmenting with racism prejudice and discrimination against their own brothers sisters that stemmed from the beginning and over the mere evolution of time developed over the centuries to become what it is today Division dividing and conquering one can see throughout the five centuries and five statuses the changes make no differences that bias and bigotry with hatred still exists with all people of the world and will remain until the Judgement Day This is one reason why the Black s fifth status change should require another box for the multi mixed Americans such as Black and Indian and White Black and White Black and Asian and White etc when the census comes around again These individuals need to become and develop their own identities as born American citizens and this change should have taken place along with the fifth status change for Black Americans Future Americans may vote this in This takes care of yesterday today and tomorrow for a new beginning of all people with hope for tomorrow The late singer songwriter by the name of Marvin Gaye may have been prophetic with his song What s Going On It sounds just like today
