Meaning No Offense:

The Bodhisattva Path to Unsurpassed Enlightenment Asanga, 2016-03-08 rya Asanga's Bodhisattvabhumi or The Stage of a Bodhisattva is the Mahayana tradition's most comprehensive manual on the practice and training of bodhisattvas by the author's own account a compilation of the full range of instructions contained in the entire collection of Mahayana sutras. A classic work of the Yogacara school it has been cherished in Tibet by all the historical Buddhist lineages as a primary source of instruction on bodhisattva ethics vows and practices as well as for its summary of the ultimate goal of the bodhisattva path to supreme enlightenment. Despite the text's seminal importance in the Tibetan traditions it has remained unavailable in English except in fragments Engle's translation made from the Sanskrit original with reference to the Tibetan translation and commentaries will enable English readers to understand more fully and clearly what it means to be a bodhisattva and practitioner of the Mahayana tradition.

Vanity Fair, 1928 *Get More*: Joby Slay, 2020-01-01 One of the largest challenges facing youth sports today is the lack of sufficiently trained athletic coaches. Studies report that less than 1/3 of coaches have any training in sports skills, tactics, and motivational techniques. In his new book *Get More*, award-winning coach Joby Slay lays out the groundwork for equipping coaches in the fundamentals of their craft. The difficulty in our society in training effective motivational techniques says Slay is the complexity of the current motivational processes or educational platforms. They require a significant investment of time, energy, and money that the average youth coach just can't spare. Slay has put together a formula in *Get More* that is simple to teach and easy to apply for a winning motivational coaching style. The book organizes these winning principles so that coaches can apply his simple formula with any team. With his effective motivational formula, a player's talents and potential are empowered with new self-confidence to take initiative to do more, be more, get more, and to fuel their creativity, imagination, and passion, creating greater momentum and motivation. Whether a new coach or a 30-year veteran, the GET MOR3EE formula will help every coach to improve their coaching acumen, resulting in their team achieving breakthrough performance results.

Encyclopedia of American Humorists Steven H. Gale, 2016-04-14 First published in 1988 this book contains entries on famous American Humorists. Humor has been present in American literature from the beginning and has developed characteristics that reflect the American character both regional and national. Although American literature was in the past treated as inferior to British literature, there has always been a large popular audience for the genre which this book shows. The figures with entries in this encyclopedia not only amuse in their writing but also aim to enlighten, setting out to expose the foibles and foolishness of society and the individuals who compose it. It is the manner in which these authors try to accomplish this end that determines whether they appear in the volume. Indeed the book will demonstrate that the best humor has at its base a ready understanding of human nature.
