## Meaning Of Treason:

The Meaning of Treason Rebecca West, 2011-03-01 West's acclaimed examination of traitors this gripping profile takes readers inside World War II spy rings and gets to the heart of what it means to betray one's country Throughout her career Rebecca West dug into psyches real and fictional to try to understand the meaning of betrayal In the aftermath of World War II West was incensed when several wartime turncoats were tried with seeming indifference and worse sympathy from the British public In exploring these traitors origins crimes and motivations West exposes how class division greed and discrimination can taint loyalties and redraw the relationships between individuals and their fatherland A fascinating book The Meaning of Treason combines the intrigue of a spy novel with West's classic careful dissection of man's moral struggles
