**God Created Man in His Image and Likeness** Oried E. Graves,2012-10-26 Everyone who reads the Bible must admit that it tells us to do things that we never have done and cannot do in our fleshly bodies One reason is that God our Creator is telling us what He wants us to be and do as created in His image and likeness Our purpose is in our image and likeness of God our Creator not like the dust of the ground or the flesh of our parents Most children dont know that they are created in the image and likeness of God and their parents have not asked God for His spirit for their children so they can be taught this vital truth The reason parents dont ask God for His spirit for their children is because they dont recognize the need for Him There are several things mankind cannot do in the flesh and they must recognize their origin in the image and likeness of

God Mankind must recognize being in the image and likeness of God to first love God with all their being and love his neighbors as himself second to obey God and his parents as required in Gods word third to trust God with all his heart fourth to worship God in spirit and in truth and fifth to glorify God in his body and spirit which are God The devil does not want mankind to know that he is created in the image and likeness of God because man will always defeat Satan and fulfill God s will

of Evil Jean-Miguel Garrigues, O.P.,2023-09-15 With rich theological language that will appeal to a broad audience this

beautifully written book offers a hopeful interpretation of the problem of evil that plagues our time In God without the Idea of Evil well known French Catholic theologian Jean Miguel Garrigues O P seeks to rise above the apparent contradiction of faith and the existence of evil suffering and death Originally published in France as Dieu sans id e du mal in 1982 a revised second edition came out in 1990 and in 2016 the book was released again with a foreword by Cardinal Christoph Sch nborn which serves as the basis for the present translation At its heart this book contemplates the mystery of our election by God which is expressed in the very fact of our existence Garrigues addresses compelling theological topics the concept of moral evil the redemptive charity of Christ the journey of human liberty and the process of nature becoming history with precise poetically charged language that remains accessible Garrigues makes a passionate defense of the innocence of God in the face of moral evil By enveloping us in his look as Cardinal Sch nborn writes in the foreword God encounters us in the very gift of being that he bestows upon us and his eyes do not see our sin The book invites us to rediscover in the eyes of Jesus the eternal

continually renewed charm of the divine gaze We are illumined and inspired by a vision of God who does not see us through the evil in us but rather loves us from the infinite depths of his creative charity
