**Every Child Needs a Praying Mom** Fern Nichols,Janet Kobobel Grant,2010-06-01 What principles enabled the concerned mom of two junior high school students to move from deciding she needed to pray for her kids at school to becoming the founder of a worldwide prayer movement called Moms In Touch International Fern Nichols is a passionate believer in the power of prayer She knows that a regular habit of prayer can change things can bring home wayward children heal broken marriages and provide answers to desperate situations Prayer can also bring a new kind of peace and contentment no matter what hardships or disappointments we face But most important Fern knows that through prayer we can experience firsthand an ever increasing intimacy with God In Every Child Needs a Praying Mom Fern Nichols now shares how she has taught women to pray in a way that changes their lives and the lives of those they love She teaches the principles and practices that will not only revolutionize the way people think about prayer but the way they do pray leading them into a deeper intimacy with Jesus who is always interceding on our behalf Sparkling with real life stories of God at work in the lives of praying moms Fern introduces us to the four prayers that are the foundation of the Moms In Touch approach to prayer Praise Praying according to the attributes of God Confession Breaking strongholds Thanksgiving Expressing a grateful heart Intercession Standing in the gap with Jesus What transforms these well known elements of prayer into such a powerful force in Moms In Touch International Fern Nichols introduces a way of praying that energizes creates an appetite for intimacy with God overcomes spiritual paralysis eliminates fear unveils the heart and character of God and transforms the pray er s life and perspective She teaches how to pray effectively with others how to prepare for the spiritual battles that swirl when prayer is on the move how to persist in prayer in the face of hopelessness and despair and how to use Scripture for effective prayer Every Child Needs a Praying Mom will do just that God hears God acts God moves God works *Moms in Touch Chinese Booklet* Moms In Touch International Staff,2005-06-21 4 steps of prayer Moms In Touch Booklet translated into Chinese **Moms in Touch** Campus Crusade for Christ of Canada,1990 **Moms in Touch** F. Nichols,1990-09-01 God has been faithful to send moms who would pray There are now Moms In Touch International groups across America as well as in other countries Because moms were asking for guidelines on how to pray more effectively and how to begin a Moms In Touch group we created this booklet **Moms in Prayer** Fern Nichols,2013 In this updated Silver Medallion award winning book Moms in Prayer Fern Nichols founder of Moms In Prayer International formerly Moms In Touch teaches how to pray effectively with other mothers how to prepare for the spiritual battles that swirl when prayer is on the move and how to persist in prayer in desperate circumstances **Moms** Diane Gilstrap,2025-09-24 The traditional model of God as a Father is often rejected by people who have a difficult time embracing a masculine deity especially those who have been abused by men But the good news is that the God of the Bible encompasses all of the best qualities of all of humanity because as Genesis 1 27 tells us He created both male and female in His image Every good quality that we have is a reflection of Who He

is since Every good gift and every perfect gift is from above and comes down from the Father of lights with whom there is no variation or shadow of turning James 1 17 NKJV I never understood the depth of God s love that is mentioned in 1 John 4 8 which states that God is love However when I became a mother the amount of love that I had for my children surprised me As I thought about how much more God with His infinite love cared about me I began to realize that some of His attributes could be better understood by examining the characteristics of mothers Good mothers are the same worldwide in both humans and animals They feed nourish protect and teach their children They provide discipline and consistency They inspire deep feelings of loyalty in their offspring These are qualities that God instilled in all women whether biological mothers or not This book will take the reader through the ways that mothers are portrayed in the Bible and throughout history It provides scripture verses that highlight these divine attributes with examples and stories You will recognize the women that are being described both from personal experience and in the mothers around you You will get a better idea of the complete picture of God If you ve been hurt you will find a God Who you can trust Who loves you perfectly and will never betray you You will learn more about His heart for you His desire to bring you into His family and Who wants to draw you closer to Him than you ve ever been before **Prayers From A Mom's Heart** Fern Nichols,2004-04-28 This Inspirio Miniature Edition offers mothers daily guidance in praying for their children s spiritual and personal growth Prayers From a Mom s Heart provides encouraging stories Scripture verses and prayers for specific occasions to help bring greater purpose to daily devotions
