Monaco Cool Robert Westgate,1993 Here is a cheeky irreverent look at Monaco and the quirky characters who populate the fairy tale Principality A trendy Tex Mex saloon in the native quarter becomes the author s second home as he attempts survival in the world s swankiest neighborhood The Principality s most eccentric characters cling to Le Texan like algae to a Venice wharf it is the hub of MONACO COOL MONACO COOL s breezy style and charming blend of brio zest and menace make this a wickedly good treat *Once Upon a Time* J. Randy Taraborrelli,2003-04-01 From master storyteller J Randy Taraborrelli comes the powerful and moving story of one of royalty s most secretive families Grace Kelly was swept away when the handsome Prince Rainier a man she barely knew asked for her hand in marriage After a series of relationships with married co stars she was exhausted by the show business lifestyle If she married Rainier she would be more than just a movie star she would be Her Serene RoyalHighness Princess Grace Once in the palace however Grace found herself trapped in a fairy tale of her own making Forced to make sacrifices that cut deeply into the core of who she was as a woman she would then surrender her desires and ambitions for her spouse and her children Grace and Rainier may have been royalty but they were also husband and wife and parents and as such just as vulnerable to the conflicts that can contaminate any household Drawing upon hundreds of exclusive interviews with family and friends ONCE UPON A TIME portrays its subjects with passion and sympathy revealing Grace Rainier Caroline Albert and Stephanie in ways both startling and compelling
