**Mortal Term:**

*Mortal Term* John Penn,1988    *Historical Phases of Prophetic Teaching* Evelyn Theresa Watson,2013-11-26 In Volume IV the author Evelyn Theresa Watson compares the Revelator s words to scriptural and gospel prophecy verifying the doctrinal mystery and miracle that lie behind the religious warfare of past and present ages Her commentary presents THE REVELATION OF ST JOHN THE DIVINE as a treatise on the life and time of Jesus Christ as the messenger of the messianic message unto the seven churches She attests to the Revelator s seven visions of revealed prophecy which retell the previous two thousand years of unfulfilled scriptural prophecy and foretell one hundred years of fulfilled gospel prophecy The author correlates these two time periods to the nineteen hundred years of biblical prophecy that followed The beginning of the twenty first century marks the end times of the Bible s historical phases of prophetic teaching    Mortal Term ,1986-09-22

**Historical Phases of Prophetic Teaching Volume II** Evelyn Theresa Watson,2013-11 The author Evelyn Theresa Watson began her search of the scriptures with Genesis One where a primitive people said what they believed to be true about themselves and a creator named God She unveils the day by day metaphoric prophecy that qualifies the formative process of immortal life and mortal time said of God which became the signs of the times In this second volume of Historical Phases of Prophetic Teaching she distinguishes between two accounts of creation the first created of God and the second made by the LORD God The author presents this scriptural message in chapter verse subdivisions with descriptive headings that denote a statutory code of ethics in a systematic or set discourse of preceptive prophecy Through translated words the reader will gain spiritual insight into scriptural prophecy concerning what was said of the LORD God as God and the covenants he made with Noah Abraham and Moses Are you aware that a primitive account of immortality and mortality begins with THE FIRST BOOK OF MOSES CALLED GENESIS Are you seeking spiritual insight into the metaphoric mystery of biblical prophecy How does the primitive language of soul identify the generations in mortal immortal words of scriptural prophecy This commentary provides a systematic way for you to search the books of Genesis and Exodus for answers to these questions

**Modern England** Máté Vince,2025-08-28 Equivocation in Early Modern England Literature Rhetoric Theology explores ideas about concealing the truth while seemingly revealing it It is about the conflict whether historical or fictional between the interrogator s desire to gain information the suspect s desire to hide the information and the divine prohibition against lying The Gunpowder Plot supposedly led to the revelation of the doctrine of equivocation a secret teaching of the Roman Catholic Church that enabled concealing one s intentions and knowledge without lying This book examines conflicting meanings of equivocation to show how contemporary writers made sense of the theological political debates and how this in turn shaped their writings and understanding of how language works It is an intellectual history of equivocation tracing its evolution from antiquity to the present through an analysis of works by Euripides Virgil Shakespeare Donne rhetoricians from Cicero to Melanchthon and theological polemicists including Henry Garnet Robert Persons George Abbot Thomas Morton and Isaac Casaubon It combines a curiosity about equivocation as a linguistic philosophical and rhetorical notion that was keenly exploited by secular writers with a scrutiny of the cultural political and religious processes that contributed to its development It explores the impact of sixteenth and seventeenth century literature education networks of correspondence and controversies on the concept of ambiguity It reveals how encounters with various forms of deception including lying strategic silence dissimulation and equivocation resulted in an ever growing anxiety about and fascination with ambiguity It provides a radically new evaluation of equivocation that as Macbeth puts it in his final despair lies like truth
