Moses Maimonides On The Causes Of Symptoms:

Moses Maimonides on the Causes of Symptoms J. O. Leibowitz, Shlomo Marcus, 2023-11-15 The subject of this book is a treatise by Maimonides 1135-1204 Jewish philosopher and at one time physician to the court of Egypt commonly known as *De causis accidentium*. The treatise is presented here for the first time in a multilingual critical edition that includes the Hebrew, Arabic and medieval Latin texts as well as commentaries on each of them. The incentive for this publication was the recent discovery of a thirteenth century Hebrew translation of the treatise reproduced here in facsimile. Neither the Hebrew nor the Latin texts have previously been published in full. Because the editors have kept in mind the wider issues this volume is congruent with present day research on the transmission of ancient knowledge in the Middle Ages. Although his treatise was intended merely to treat specific questions involving a certain patient, Maimonides discusses several medical subjects such as problems involving the circulatory system, the digestive organs and general dietetics, psychiatry and specific aspects of physiology. A special feature of the volume is the editors' running commentary based on the Arabic original as well as on various medieval translations and designed to clarify some of the obscurities of the text, particularly its medical aspects. The editors suggest that Maimonides may have been familiar with such modern concepts as hemoconcentration and the use of psychotropic drugs. The subject of this book is a treatise by Maimonides 1135-1204 Jewish philosopher and at one time physician to the court of Egypt commonly known as *De causis accidentium*. The treatise is presented here for the first time in a multilingual critical edition.

Moses Maimonides on the causes of symptoms Moses Maimonides, 1974 *Maimonides, On the Elucidation of Some Symptoms and the Response to Them (Formerly Known as On the Causes of Symptoms)* Gerrit Bos, 2019-05-15

The present *consilium* commonly known as *De causis accidentium* after the Latin translation by John de Capua was like the earlier *consilium* *On the Regimen of Health* composed by Maimonides at the request of al-Malik al-Af al-Nasir al-Din al-Saladin's eldest son. As a result of not adopting the lifestyle and dietary recommendations in *On the Regimen of Health*, al-Af al-Nasir may have continued to suffer from a number of afflictions amongst them hemorrhoids, depression, constipation and possibly a heart condition. The *consilium* was written after 1200, the year in which al-Af al-Nasir was deposed and banished from Egypt permanently but probably not long before 1204, the year in which Maimonides died.
