Booklist**, 1967 **Conversion** Malcolm Muggeridge, 2005-02-18 From the book *What is a conversion* The question is like asking What is falling in love There is no standard procedure no fixed time No Damascus Road experience has

been vouchsafed me I have just stumbled on like Bunyan's Pilgrim falling into the Slough of Despond locked up in Doubting Castle terrified at passing through the Valley of the Shadow of Death from time to time by God's mercy relieved of my burden of sin but only alas soon to acquire it again From my earliest years there was something going on inside me other than vague aspirations to make a name for myself and a stir in the world something that led me to feel myself a stranger among strangers in a strange land whose true habitat was elsewhere another destiny whose realization would swallow up time into Eternity transform flesh into spirit knowledge into faith and reveal in transcendental terms what our earthly life truly signifies In November 1982 Malcolm Muggeridge was received into the Roman Catholic Church an event which attracted much attention and curiosity To Malcolm Muggeridge it signified a sense of homecoming of picking up the threads of a lost life Malcolm Muggeridge well known around the world in the latter part of the twentieth century as a journalist writer and media figure is still remembered as a vociferous unbeliever for a great part of his career But always he had had an awareness that another dimension existed that there was a destiny beyond the devices and desires of the ego and that earthly life could not be the end This book first published in 1988 and the last of his writing to be published in his lifetime is a personal statement of the history and development of his religious beliefs An important section relates to Mother Teresa of Calcutta latterly beatified and with expectations to becoming a Saint Her influence was perhaps the most powerful force leading this deeply thinking man to God and to the Roman Catholic Church He describes also the effect upon him of meetings with Alexander Solzhenitsyn a man whom he considers to be one of the greatest prophets of our time with a profound spiritual message for our turbulent world This moving testimony is not about the mechanics of becoming a Roman Catholic Rather it is about a series of happenings occasions of enlightenment that led one spiritually troubled man to find God It is a statement of belief which will fascinate all who are interested in the workings of the human mind and will inspire all who seek the Truth
