Mostly Good Times:

Science and Insight Roger Bourke White Jr.,2012-05-07 Good stories are about people Good science fiction stories are about science and people So how to you put good science into a story that is about people Thats what this book is about Its about looking for how science changes peoples lives and how to make that change an interesting story about people This is about making Technofictionscience fiction where science matters as much as characters Welcome to a Tales of Technofiction book

Families and Forgiveness Terry D. Hargrave,Nicole E. Zasowski,2016-11-01 Families and Forgiveness Second Edition gives the therapist a working knowledge of the importance of love and trustworthiness skills to adequately assess hurt and pain in a family and different techniques and conceptualizations to help family members move to make progress in restoring function to broken identities and senses of safety The authors consistently demonstrate that the work of forgiveness in any form is possible with every family member and improves the intergenerational health of the family In this new edition a reorganized structure efficiently brings the therapeutic focus on love and trustworthiness and revised case studies and updated interventions provide mental health professionals with practical methods to treat troubled families
