Mother Is:

A Mother Is a Story Samantha Hahn, 2016-03-22 Capturing Brooklyn based artist Samantha Hahn's modern sensibility *A Mother Is a Story: A Celebration of Motherhood* is a stunning collection of hand lettered quotes and ethereal illustrations. Rendered in Hahn's signature watercolors, the book portrays the shared experience of motherhood in all its glorious, messy, sublime beauty. With quotes that range from witty and irreverent to touching and thoughtful, each page presents sentiments and snippets of wisdom that celebrate the spirit of motherhood. Contributions come from literary icons, political activists, lifestyle bloggers, fashion designers, and more. *A Mother Is a Story* is published in conjunction with *Stories for My Child: A Mother's Memory Journal*, a guided journal for capturing all the moments of motherhood, small and spectacular, from pregnancy through your child's adolescence. Together or separately, they make the perfect gift for Mother's Day and baby showers.

My mother is among us - Story from the Middle East Ruhiya Rahimova, 2025-04-12 The novel's tragic conclusion reflects the dangers of unchecked familial control and emotional manipulation. Hanan, despite her talent and strength, was never truly free. Her life filled with unfulfilled dreams and silent suffering is ultimately consumed by the very force she longed to escape. *My Mother Is Among Us* is a deeply emotional and psychologically rich novel that delves into themes of toxic love, control, and the devastating consequences of never breaking free. It is a cautionary tale about the invisible chains that bind many, leaving them trapped in cycles of manipulation and sacrifice, often without realizing it until it is too late.

A Mother Is a Shepherd O'Neal Betty White, 2010-09 Motherhood has always been top priority for Betty White. O'Neal She has been married to Edwin for 54 years and is the mother of three sons, grandmother to seven, and great grandmother to six. Her dedication to God first and then to her family is evident in the pages of this book. Betty is a singer, songwriter, musician, and along with her musically talented family, has recorded several of the songs she has written. Songs about mothers are her most popular ones. She has been a Licensed Nurse for 38 years and is a noted speaker. Betty's heart's desire for this book is that it will touch a mother's heart and cause her to feel the responsibility motherhood brings with it.

Mother Is Gold, Father Is Glass Lorelle D. Semley, 2010-11-29 Lorelle D. Semley explores the historical and political meanings of motherhood in West Africa and beyond, showing that the roles of women were far more complicated than previously thought. While in Ktu Bnin, Semley discovered that women were treasurers, advisors, ritual specialists, and colonial agents, in addition to their more familiar roles as queens, wives, and sisters. These women with special influence made it difficult for the French and others to enforce an ideal of subordinate women. As she traces how women gained prominence, Semley makes clear why powerful mother figures still exist in the symbols and rituals of everyday practices. **Every Mother Is a Daughter** Perri Klass, Sheila Solomon Klass, 2008-12-10 Mothers and daughters go through so much yet when was the last time a mother and daughter sat down collectively to write a book together about it all? Perri Klass and her mother, Sheila Solomon Klass, both gifted professional writers, prove to be ideal collaborators as they examine their decades of motherhood.

daughterhood and the wonderful if sometimes fraught ways their lives have overlapped Perri notes with amazement how closely her own life has mirrored her mother's Both have full time careers Perri is a pediatrician Sheila is recently retired from a long career as a college English professor but goes on teaching both have published books articles and stories each has three children they both love to read and to pass books back and forth They also love to travel in fact they often take trips together and live to tell the tale But in truth the harder they look at their lives the more Perri and Sheila acknowledge their profound differences in circumstance and temperament A child of the Depression Sheila was raised in Brooklyn by Orthodox Jewish parents who considered education an unnecessary luxury for girls Starting with her college education she has fought for everything she's ever accomplished Perri on the other hand grew up privileged and rebellious in the New Jersey suburbs of the 1960s and 1970s For Sheila fanatically frugal wasting time or money is a crime and luxury is unthinkable while Perri enjoys the occasional small luxury but has not been successful at enticing her mother into even the tiniest self indulgence Each writing in her own unmistakable voice Perri and Sheila take turns exploring the joys and pains the love and resentment the petty irritations and abiding respect that have always bound them together Sheila recounts the adventure of giving birth to Perri in a tiny town in Trinidad where her husband was doing anthropological fieldwork Perri confesses that she can't tame her domestic chaos even though she knows it drives her mother crazy Sheila rhapsodizes about the bliss of becoming a grandmother Perri marvels at her mother's fearless navigation of the New York City subways Together they compare thoughts on bringing up children and working confess long hidden sorrows relish precious memories and even offer family recipes and knitting patterns Looking deep into the lives they have lived separately and together Perri and Sheila tell their mother daughter story with honesty humor zest and mutual admiration A memoir in two voices Every Mother Is a Daughter is a duet that resonates with the experiences that all mothers and daughters will recognize
