## **Mother Journeys Feminists Write About Mothering:**

**Mother Journeys** Maureen T. Reddy, Martha Roth, Amy Sheldon, 1994 *Mother Journeys Feminists Write About Mothering* is a compelling collection of essays, stories, poems, and artwork responding to this request investigating with clarity, humor, courage, and sometimes pain the dual issues of feminism and motherhood

**Feminist Mothering** Andrea O'Reilly, 2008-10-09 *Feminist Mothering* goes beyond critiques of patriarchal motherhood to locate and investigate feminist maternal practices as sites for women's empowerment and social change. The contributors see feminist mothering as practices of mothering that seek to challenge and change the norms of patriarchal motherhood that are limiting and oppressive to women. For many women practicing feminist mothering offers a way to disrupt the transmission of sexist and patriarchal values from generation to generation. Contributors explore the ways in which women integrate activism, paid employment, nonsexist childrearing practices, and non-child-centered interests in their lives and other caregivers into their children's lives in order to challenge existing societal inequality and create new egalitarian possibilities for women, men, and families

*Feminist Parenting: Perspectives from Africa and Beyond* Rama Salla Dieng, Andrea O'Reilly, 2020-04-01 *Feminist Parenting Perspectives from Africa and Beyond* asks and considers: What is feminist parenting? Is it something for all parents? What does it mean to be a feminist parent in practice? The collection aims to fill a gap on feminist parenting in the existing literature by bringing timely post-Western perspectives. More specifically, the anthology's main contribution is its explicit focus on feminist parenting from the margins to the global periphery, from Africa and its diaspora from the Global South to Europe and America. The 27 parents from diverse backgrounds, walks of life, and countries gathered in this anthology share powerful responses to the above questions by narrating their experiences of some of the challenges, dilemmas, promises, and compromises of parenting with a feminist perspective. The volume is one of the first collections published with first-person essays, describing very touching, beautiful, and sometimes painful stories of what it means and more importantly what it costs to become a feminist parent with an intersectional approach. In doing so, the authors of this book aim at re-claiming parenting as a necessarily political terrain for subversion, radical transformation, and resistance to patriarchal oppression and sexism.

**Mother Outlaws** Andrea O'Reilly, 2004-05-13 Feminist scholars of motherhood distinguish between mothering and motherhood and argue that the latter is a patriarchal institution that is oppressive to women. Few scholars, however, have considered how mothering as a female-defined and centred experience may be a site of empowerment for women. This collection is the first to do so. *Mother Outlaws* examines how mothers imagine and implement theories and practices of mothering that are empowering to women. Central to this inquiry is the recognition that mothers and children benefit when the mother lives her life and practices mothering from a position of agency, authority, authenticity, and autonomy.

**Feminist Mothering in Theory and Practice, 1985-1995** Fiona J. Green, 2009 Set sail for Africa in this thrilling sequel to Gentleman Captain. When a captured Barbary pirate tells a tale of a mountain of gold deep in Africa, Gentleman Captain

Matthew Quinton has his doubts But King Charles II can't resist the chance to outstrip the Dutch with a limitless source of wealth With the devious corsair aboard Quinton embarks on a voyage past the edge of the map and into the African unknown As he gets closer and as sabotage attempts pile up he begins to wonder if there is truth in the legend after all Back in England the king has arranged a marriage between Quinton's elder brother and a mysterious lady rumored to have murdered her previous husbands Will Quinton be able to find the fabled mountain of gold and return home in time to protect his family J D Davies writes with surging lyricism and surprisingly witty insight about a subject that he clearly knows through and through These are superb books and I look forward eagerly to reading more of them Angus Donald author of *The Outlaw Chronicles* Swashbuckling suspense royal intrigue and high seas naval action an excellent series *Publishers Weekly*

**The Routledge Companion to Motherhood** Lynn O'Brien Hallstein,Andrea O'Reilly,Melinda Giles,2019-11-04 Interdisciplinary and intersectional in emphasis the Routledge Companion to Motherhood brings together essays on current intellectual themes issues and debates while also creating a foundation for future scholarship and study as the field of Motherhood Studies continues to develop globally This Routledge Companion is the first extensive collection on the wide ranging topics

Amber E. Kinser,2008 *Mothering in the Third Wave* is a welcome addition to scholarship on both third wave feminism and feminist mothering The volume continues in the tradition of earlier third wave anthologies in its inclusive and diverse vision of feminisms and feminists while forging new ground in its focus on third wave mothers and third wave practices of mothering In exploring how the institution of motherhood is shaped by today's political and social realities *Mothering in the Third Wave* examines contemporary experiences of feminist mothering while connecting to earlier writing on the subject since the 1970s Recommended for readers of any generation interested in the complexities of feminist mothering in the twenty first century Astrid Henry author of *Not My Mother's Sister Generational Conflict and Third Wave Feminism*
