*Writers' Handbook 2026* J. Paul Dyson, 2025-07-10 The 2026 edition of [firstwriter.com](#)'s annual directory for writers is the perfect book for anyone searching for literary agents, book publishers or magazines. It contains over 1 400 listings including revised and updated listings from the 2025 edition and over 200 brand new entries. Finding the information you need is now quicker and easier than ever before with multiple tables and a detailed index and unique paragraph numbers to help you get to the listings you're looking for. The variety of tables helps you navigate the listings in different ways and includes a Table of Authors which lists over 5 000 authors and tells you who represents them or who publishes them or both. The number of genres in the index has expanded to over 950. So for example while there was only one option for Romance in previous editions you can now narrow this down to Historical Romance, Fantasy Romance, Supernatural, Paranormal Romance, Contemporary Romance, Diverse Romance, Erotic Romance, Feminist Romance, Christian Romance or even Amish Romance. The new edition includes Over 600 literary agents and agencies, Over 350 magazines and Over 400 publishers that don't charge fees. International markets become more accessible than ever with listings that cover both the main publishing centres of New York and London as well as markets in other English speaking countries. With more and more agents, publishers and magazines accepting submissions online this international outlook is now more important than ever. There are no adverts, no advertorials and no obscure listings padding out hundreds of pages. By including only what's important to writers, contact details for literary agents, publishers and magazines, this directory is able to provide more listings than its competitors at a lower price. The book also allows you to create a subscription to the [firstwriter.com](#) website for free until 2027. This means you can get free access to the [firstwriter.com](#) website where you can find even more listings and also benefit from other features such as advanced searches, daily email updates, feedback from users about the markets, featured saved searches, competitions, listings, searchable personal notes and more. I know firsthand how lonely and dispiriting trying to find an agent and publisher can be. So it's great to find a resource like [firstwriter.com](#) that provides contacts, advice and encouragement to aspiring writers. I've been recommending it for years now. Robin Wade, literary agent at the Wade Doherty Literary Agency Ltd and long term [firstwriter.com](#) subscriber.

*Magill's Guide to Science Fiction and Fantasy Literature: Software and wetware*, 1996 These four volumes cover 791 books or series, 238 of them published during the 1980s and 1990s; the entries are 1 000 words long for single books and 1 500 for series, with a one sentence summary beginning each entry followed by bibliographical information. Volume 4 contains an extensive bibliography of critical works on science fiction and fantasy, a list of major award winners, a genre index, Booklist.

[Christmas Past](#) Christine Pope, 2025-07-28 Time travel is tricky, especially when there's a wedding in your future. Devynn Rowe and Seth McAllister have found their happily ever after in the 21st century but as their Christmas wedding approaches, Seth can't shake his melancholy. When he vanished from 1926, his parents were left believing their son had died in a mining accident. The guilt is eating him alive. But Devynn has a crazy

idea what if they could go back to 1926 and give Seth s family the Christmas gift of knowing he s alive and well Her time traveling magic has been unpredictable at best but she s been secretly practicing How hard could one little trip to the past be Famous last words When Devynn s magic goes haywire they find themselves ping ponging through the decades landing everywhere except where and when they re supposed to be Stranded in the wrong timeline with a wedding to get back to they ll need help from an old friend and a new understanding of what home really means After all the greatest magic isn t about controlling time it s about choosing who you want to spend it with The Hanson Guide to the Internet & Internet Databases ,2000 Wolf Weaver Aimee Easterling,2025-12-09 One fractured ghost One untouchable mate Zero second chances The ghosts who follow me around are more than memories they re family And someone just stole the artifact tying one of them to this world I track the thief through a maze of magical traps and across continents relying on the help of the alpha protector I m mated to but barely know We aren t fast enough Soon Ellie begins to forget who she is To save her I ll have to face a legacy I barely understand and claim a power I never asked for But if I open the door to what I might become will there be anything left of who I was Continue the slow burn paranormal adventure of the Ghost Pack series in Wolf Weaver a werewolf urban fantasy perfect for fans of matings of convenience magical legacies and found family dynamics
