Leadership Skills Advanced:

Upgrade Now Giselle Kovary, Adwoa Buahene, 2012 **Nursing Leadership and Management** Denise M. Korniewicz, 2015-04-06 Provides a practical approach to leadership and management principles specific to clinical settings. Coverage includes clinical decision making, technology to improve patient outcomes, and leadership and management practice in inter professional healthcare delivery. Multiple case studies. This textbook is intended for students preparing as advanced practice nurses, doctoral physical therapists, doctoral pharmacists, and other advanced practice professionals. The book provides practical approaches to the application of leadership and management principles while systematically presenting the content needed for skilled leadership in varied clinical settings. Chapters are devoted to leadership, change, understanding health organizations and systems, technology to improve population based care using critical thinking principles to improve patient outcomes, clinical decision making using evidence based practice, and inter professional healthcare delivery. Telehealth and the impacts of the Affordable Care Act are also discussed. A case study is presented at the beginning of each chapter and incorporated into the theoretical material as a continuing illustration.

The Comprehensive Textbook of Healthcare Simulation Adam I. Levine, Samuel DeMaria Jr., Andrew D Schwartz, Alan J. Sim, 2013-06-18 The Comprehensive Textbook of Healthcare Simulation is a cohesive single source reference on all aspects of simulation in medical education and evaluation. It covers the use of simulation in training in each specialty and is aimed at healthcare educators and administrators who are developing their own simulation centers or programs and professional organizations looking to incorporate the technology into their credentialing process. For those already involved in simulation, the book will serve as a state of the art reference that helps them increase their knowledge base, expand their simulation program's capabilities, and attract new additional target learners. Features: Written and edited by pioneers and experts in healthcare simulation. Personal memoirs from simulation pioneers. Each medical specialty covered. Guidance on teaching in the simulated environment. Up to date information on current techniques and technologies. Tips from insiders on funding, development, accreditation, and marketing of simulation centers. Floor plans of simulation centers from across the United States. Comprehensive glossary of terminology.

Purdue University, 1993 **Lead More, Control Less** Marvin Weisbord, Sandra Janoff, 2015-10-12 Unleash Commitment, Initiative, and Innovation. In their decades of leading groups all over the world, Marvin Weisbord and Sandra Janoff discovered they could get superior results by creating an unconventional approach to leadership. Leaders still need to get everyone aligned around the same goals. But to maximize energy, creativity, and productivity, they gain more by focusing on structure rather than behavior, enabling people to take responsibility and manage themselves. Lead More, Control Less describes eight essential skills for establishing a culture of autonomy and self-leadership. Using examples and case studies, Weisbord and Janoff describe how leaders can share responsibility, defuse group conflicts, show everyone the big picture, and more. With this approach, leaders truly gain more control by giving it up.
