specific questions critics who use that theory ask about literary texts an interpretation of F Scott Fitzgerald s The Great Gatsby through the lens of each theory a list of questions for further practice to guide readers in applying each theory to different literary works and a bibliography of primary and secondary works for further reading

**Materialist Feminism**

Toril Moi, Janice A. Radway, 1994 Materialist feminism is not an unproblematic term Its relationship to what was called socialist feminism in the 1970s and early 1980s is far from clear This special issue of SAQ does not resolve these questions Instead of providing a theory of materialist feminism in the abstract the authors have tried to build up a provisional tentative picture of what a materialist feminism might look like in the 1990s

Woman Questions Lise Vogel, 1995 For more than two decades Lise Vogel has been an important voice in feminist theory Woman Questions brings Drawing upon the life stories essays on socialist feminism Marxist theory and the problem of equality The collection provides not only a compendium of one influential thinker s work but a thoughtful overview of the evolution of US socialist feminism The essays are grouped in three sections covering the relationship between feminism and socialism the significance of the Marxist theoretical tradition for women s liberation and issues of difference diversity and equality A lengthy autobiographical introduction offers readers access to Vogel s personal story of civil rights work in Mississippi the early women s liberation movement a radical career switch and growing up in a politically active family

On Marx Wendy Lynne Lee, 2001 This brief text assists students in understanding Marx s philosophy and thinking so that they can more fully engage in useful intelligent class dialogue and improve their understanding of course content Part of the Wadsworth Philosophers Series which will eventually consist of approximately 100 titles each focusing on a single thinker from ancient times to the present ON MARX is written by a philosopher deeply versed in the philosophy of this key thinker Like other books in the series this concise book offers sufficient insight into the thinking of a notable philosopher better enabling students to engage in the reading and to discuss the material in class and on paper

A Reader in Feminist Knowledge Sneja Marina Gunew, 1991 A collection of essays written in the field of feminist theory this book reflects the social consequences of biological research and the political struggles waged by socialist and radical feminists The contributors suggest that there is a pervasive racism within the feminist movement

**Feminist Studies** , 1998 Education,

Research and Perspectives ,1999      The Aims of Argument Timothy W. Crusius,Carolyn E. Channell,2006      *Dogmas and Dreams: A Reader In Modern Political Ideologies, 3rd Edition* Nancy S Love,2006 Ideologies legitimize politics outline basic values socialize individuals facilitate communication and mobilize people in short their study makes for a great entry into the study of political theory and the discipline of political science A source both of stability and instability concord and conflict the ideologies explored in this anthology show the dynamics of politics through the study of ideas With 18 of 49 selections new to this edition *Dogmas and Dreams* signals a renewed emphasis on political ideologies showing how public discourse for better or for worse reflects the complexity and chaos of an increasingly global world With Nancy Love s concise and insightful introductions original selections by influential thinkers challenge students to question their political convictions and thus discover and explore their own political beliefs      *Filipiniana Reader* Priscelina Patajo-Legasto,1998      *Handbook of Feminist Research* Sharlene Nagy Hesse-Biber,2007 The topic feminist research has too often been neglected in standard research methods books The *Handbook of Feminist Research* represents the establishment of a new tradition or paradigm in viewing how the research process is implemented Feminist researchers bring unique epistemological and methodological perspectives to the research process Feminists approach to methodology allows for new types of questions about women s lives and those of other ed marginalized groups to be addressed within their respective fields of research This *Handbook* stresses the interconnections between epistemology methodology and methods They are not de linked from each other but work together in dynamic ways to produce new knowledge and this openness itself is also characteristic of how feminist researchers approach their work Feminists engage synergistically with all three aspects of the research process epistemology methodology and method Through a synergistic connection between these elements of research epistemology methodology and method we find that feminist research often shapes new research endeavors that are greater than the sum of their parts In other words while traditional research employs these components of research the synergistic engagement of these components in feminist research questions the status quo aiming to raise our consciousness about how we do research Looking at the selections provided in this *Handbook* we are able to look at feminist research its implementation of synergistic use of epistemology methodology and method and the resulting qualities of feminist research in practice      **The Elgar Companion to Feminist Economics** Janice Peterson,Margaret Lewis,1999 The *Elgar Companion to Feminist Economics* is the first comprehensive reference work introducing readers to the field of feminist economics It includes 99 entries by 88 authors This authoritative volume includes timely entries addressing key concepts in feminist economics as well as feminist economic critiques and reconstructions of major economic theories and policy debates The material is presented in an accessible manner and will be of interest to scholars and teachers from across the social sciences The *Elgar Companion to Feminist Economics* will become an indispensable resource for scholars and teachers interested in exploring this emerging and evolving field of inquiry      *Women's Studies Index, 1998* G.
