Multicultural America

Ronald Takaki

Multicultural America:

A Different Mirror for Young People Ronald Takaki, 2012-10-16 A longtime professor of Ethnic Studies at the University of California at Berkeley Ronald Takaki was recognized as one of the foremost scholars of American ethnic history and diversity When the first edition of *A Different Mirror* was published in 1993 Publishers Weekly called it a brilliant revisionist history of America that is likely to become a classic of multicultural studies and named it one of the ten best books of the year Now Rebecca Stefoff who adapted Howard Zinn's best selling *A People's History of the United States* for younger readers turns the updated 2008 edition of Takaki's multicultural masterwork into *A Different Mirror for Young People* Drawing on Takaki's vast array of primary sources and staying true to his own words whenever possible *A Different Mirror for Young People* brings ethnic history alive through the words of people including teenagers who recorded their experiences in letters diaries and poems Like Zinn's *A People's History* Takaki's *A Different Mirror* offers a rich and rewarding people's view perspective on the American story

A Different Mirror Ronald Takaki, 2012-06-05 Takaki traces the economic and political history of Indians African Americans Mexicans Japanese Chinese Irish and Jewish people in America with considerable attention given to instances and consequences of racism The narrative is laced with short quotations cameos of personal experiences and excerpts from folk music and literature Well known occurrences such as the Triangle Shirtwaist Factory Fire the Trail of Tears the Harlem Renaissance and the Japanese internment are included Students may be surprised by some of the revelations but will recognize a constant thread of rampant racism The author concludes with a summary of today's changing economic climate and offers Rodney King's challenge to all of us to try to get along Readers will find this overview to be an accessible cogent jumping off place for American history and political science plus a guide to the myriad other sources identified in the notes

Multicultural America Carlos E. Cortés, 2013-08-15 This comprehensive title is among the first to extensively use newly released 2010 U S Census data to examine multiculturalism today and tomorrow in America This distinction is important considering the following NPR report by Eyder Peralta Based on the first national numbers released by the Census Bureau the AP reports that minorities account for 90 percent of the total U S growth since 2000 due to immigration and higher birth rates for Latinos According to John Logan a Brown University sociologist who has analyzed most of the census figures The futures of most metropolitan areas in the country are contingent on how attractive they are to Hispanic and Asian populations Both non Hispanic whites and blacks are getting older as a group These groups are tending to fade out he added Another demographer William H Frey with the Brookings Institution told The Washington Post that this has been a pivotal decade We're pivoting from a white black dominated American population to one that is multiracial and multicultural *Multicultural America* A Multimedia Encyclopedia explores this pivotal moment and its ramifications with more than 900 signed entries not just providing a compilation of specific ethnic groups and their histories but also covering the full spectrum of issues flowing from the increasingly multicultural canvas that is America today

Pedagogical elements include an introduction a thematic reader s guide a chronology of multicultural milestones a glossary a resource guide to key books journals and Internet sites and an appendix of 2010 U S Census Data Finally the electronic version will be the only reference work on this topic to augment written entries with multimedia for today s students with 100 videos with transcripts from Getty Images and Video Vault the Agence France Press and Sky News as reviewed by the media librarian of the Rutgers University Libraries working in concert with the title s editors

The Music of Multicultural America Kip Lornell, Anne K. Rasmussen, 2016-01-04 The Music of Multicultural America explores the intersection of performance identity and community in a wide range of musical expressions Fifteen essays explore traditions that range from the Klezmer revival in New York to Arab music in Detroit to West Indian steel bands in Brooklyn to Kathak music and dance in California to Irish music in Boston to powwows in the midwestern plains to Hispanic and Native musics of the Southwest borderlands Many chapters demonstrate the processes involved in supporting promoting and reviving community music Others highlight the ways in which such American institutions as city festivals or state and national folklife agencies come into play Thirteen themes and processes outlined in the introduction unify the collection s fifteen case studies and suggest organizing frameworks for student projects Due to the diversity of music profiled in the book Mexican mariachi African American gospel Asian West Coast jazz women s punk French American Cajun and Anglo American sacred harp and to the methodology of fieldwork ethnography and academic activism described by the authors the book is perfect for courses in ethnomusicology world music anthropology folklore and American studies Audio and visual materials that support each chapter are freely available on the ATMuse website supported by the Archives of Traditional Music at Indiana University

Multicultural America Ronald H. Bayor, 2011-07-22 This encyclopedia contains 50 thorough profiles of the most numerically significant immigrant groups now making their homes in the United States telling the story of our newest immigrants and introducing them to their fellow Americans One of the main reasons the United States has evolved so quickly and radically in the last 100 years is the large number of ethnically diverse immigrants that have become part of its population People from every area of the world have come to America in an effort to realize their dreams of more opportunity and better lives either for themselves or for their children This book provides a fascinating picture of the lives of immigrants from 50 countries who have contributed substantially to the diversity of the United States exploring all aspects of the immigrants lives in the old world as well as the new Each essay explains why these people have come to the United States how they have adjusted to and integrated into American society and what portends for their future Accounts of the experiences of the second generation and the effects of relations between the United States and the sending country round out these unusually rich and demographically detailed portraits

The Rise of Multicultural America Susan L. Mizruchi, 2009-06-01 Between the Civil War and World War I the United States underwent the most rapid economic expansion in history At the same time the country experienced unparalleled rates of immigration In The Rise of Multicultural

America Susan Mizruchi examines the convergence of these two extraordinary developments No issue was more salient in postbellum American capitalist society she argues than the country's bewilderingly diverse population This era marked the emergence of Americans self consciousness about what we today call multiculturalism Mizruchi approaches this complex development from the perspective of print culture demonstrating how both popular and elite writers played pivotal roles in articulating the stakes of this national metamorphosis In a period of widespread literacy writers assumed a remarkable cultural authority as best selling works of literature and periodicals reached vast readerships and immigrants could find newspapers and magazines in their native languages Mizruchi also looks at the work of journalists photographers social reformers intellectuals and advertisers Identifying the years between 1865 and 1915 as the founding era of American multiculturalism Mizruchi provides a historical context that has been overlooked in contemporary debates about race ethnicity immigration and the dynamics of modern capitalist society Her analysis recuperates a legacy with the potential to both invigorate current battle lines and highlight points of reconciliation

Sharing the Dream Dominic Pulera, 2004-10-20 White males 100 million strong constitute approximately 35 percent of the U S population a percentage that declines slightly each year They matter very much to discussions of race ethnicity and gender in the US due to their numbers and the enormous influence they have wielded and continue to wield In this highly original and readable work Dominic Pulera offers the broadest and most balanced treatment of the white male experience in America to date He contends that virtually all white males are sharing the American dream with women and people of color in response to the nation's changing demographics and the multicultural mindset that informs policies and attitudes in our nation Some white males are sharing the dream voluntarily others are doing so involuntarily The author also explores the heterogeneity of white male America taking into account such factors as age ethnicity ideology social class regional background occupational status and sexual orientation This timely work relies on a broad range of sources including extensive field research and hundreds of interviews along with the best primary and secondary sources available It includes original historical treatments discussion of contemporary dynamics and comparative material that takes into account the experiences of peoples in other countries In doing so Pulera places white males in the context of America's ongoing transition from a predominantly white country to one where people of color are increasingly numerous and consequently becoming more visible Dominic J Pulera is an independent scholar who lectures and writes about issues related to race ethnicity and gender In the wake of his first book *Visible Differences Why Race Will Matter to Americans in the Twenty First Century* he spoke at 13 universities on 4 continents and appeared on a one hour segment of Book TV C Span He has been a frequent guest on radio and television programs in Atlanta Baltimore Chicago Detroit Los Angeles Philadelphia and Washington D C

Multicultural America, 2011 Multicultural America Carlos E. Cortés, 2013-08-15 This comprehensive title is among the first to extensively use newly released 2010 U S Census data to examine multiculturalism today and tomorrow in America This distinction is

important considering the following NPR report by Eyder Peralta Based on the first national numbers released by the Census Bureau the AP reports that minorities account for 90 percent of the total U S growth since 2000 due to immigration and higher birth rates for Latinos According to John Logan a Brown University sociologist who has analyzed most of the census figures The futures of most metropolitan areas in the country are contingent on how attractive they are to Hispanic and Asian populations Both non Hispanic whites and blacks are getting older as a group These groups are tending to fade out he added Another demographer William H Frey with the Brookings Institution told The Washington Post that this has been a pivotal decade We re pivoting from a white black dominated American population to one that is multiracial and multicultural

Multicultural America A Multimedia Encyclopedia explores this pivotal moment and its ramifications with more than 900 signed entries not just providing a compilation of specific ethnic groups and their histories but also covering the full spectrum of issues flowing from the increasingly multicultural canvas that is America today Pedagogical elements include an introduction a thematic reader s guide a chronology of multicultural milestones a glossary a resource guide to key books journals and Internet sites and an appendix of 2010 U S Census Data Finally the electronic version will be the only reference work on this topic to augment written entries with multimedia for today s students with 100 videos with transcripts from Getty Images and Video Vault the Agence France Press and Sky News as reviewed by the media librarian of the Rutgers University Libraries working in concert with the title s editors

Irredentist Islam and Multicultural America Jan McDaniel, 2008-12-01 An attempt to identify America s enemy in the war on terror and why it is so hard for Americans to name the enemy An explanation of why Islamic law should be declared sedition *Multicultural America* Carlos E. Cortés, 2013

Healing Multicultural America Henry T. Trueba, Cirenio Rodriguez, Yali Zou, José Cintrón, 2022-11-16 Healing Multicultural America 1993 looks at a group of Mexican immigrants who managed to understand and use the US democratic system to gain access to the American Dream The book aims to assist its readers to understand the significance of the politics of education for ethnic minorities The authors point up the gravity of the problems experienced by minority groups worldwide which cannot be underestimated problems such as inter ethnic conflict cultural tensions poverty alienation violence and self rejection *Multicultural America* Betty E.M. Ch'maj, 1993-03-31 The first publication of its kind

Multicultural America is a resource book containing essays syllabi projects and bibliographies to assist university teachers in multiculturalizing courses in American Studies including Ethnic Studies Women s Studies History Music Art Literature and Education Betty E M Ch maj focuses on the arts popular and fine oral and written to demonstrate how to read cultural and social meanings The book is grounded in the conviction that artists do have a special capacity to illuminate differences when cultures clash Part I Syllabi are designed to provide teachers with a wealth of ideas for creating and amending courses Part II Essays is a collection based on personal experience or reported from an inside point of view and Part III Bibliography and Checklists is a great resource for literary musical and visual materials Ch maj makes strong the connection between art and

society aesthetic values and social urgency the humanities and the social sciences and culture and context **A Different Mirror for Young People** Ronald T. Takaki, 2012 Focusing on a variety of groups Jews Chinese Japanese Africans Irish Mexicans Afghans Vietnamese and more this volume tells America's story through the millions of people who came here seeking the opportunity **The Disuniting of America** Arthur Meier Schlesinger (Jr.), 1998 Examines the lessons of one polyglot country after another tearing itself apart or on the brink of doing so and points out troubling new evidence that multiculturalism gone awry here in the United States threatens to do the same [A Different Mirror for Young People](#) Professor of Ethnic Studies Ronald Takaki, Ronald Takaki, Rebecca Stefoff, 2012-10-16 Focusing on a variety of groups Jews Chinese Japanese Africans Irish Mexicans Afghans Vietnamese and more this volume tells America's story through the millions of people who came here seeking the opportunity [Rediscovering America](#) Carla Blank, 2003 In this vibrant fact packed romp through the last 100 years Rediscovering America explores the lost history of America highlighting and reintegrating the complex contributions of women African Asian Hispanic and Native Americans immigrants artists renegades rebels rogues and others normally cast to the margins of history books but without whom there is no honest accounting of American history In an accessible timeline format it paints an inclusive picture of our recent past without sentiment or favor respecting the true richness and complexity of 100 years in the life of a nation *Promoting Academic Resilience in Multicultural America* Erik E. Morales, Frances K. Trotman, 2004 Promoting Academic Resilience in Multicultural America combines biographical sketches of resilient students examples of effective programs designed to encourage resilience recent research in the field and their own experiences of resilient academics of color The book illustrates exactly how academic success occurs within traditionally challenged learning environments The authors focus most closely on the crucial transition between high school and college The individuals spotlighted and programs outlined cross racial gender socioeconomic and ethnic lines and include African American Hispanic and white students In part the authors conclude that there are specific multidimensional protective factors that work collaboratively to enable the success of these exceptional students It is the detailed exploration of these phenomena that lie at the heart of this work and that has the potential to help all children excel Among other uses this book could be a valuable addition to a college freshmen seminar series a foundations of education course a course on multiculturalism in America and or any course focused on basic educational psychology [Multicultural America](#) Meryl Loonin, 2004 Describes the increasing cultural diversity in America and its effects on American society **Mixed Blessings** Lucy R. Lippard, 1990 The classic book that defined the multicultural art movement updated with a new introduction Copyright Libri GmbH All rights reserved
