## Option 1: List the new job title only

Do this if your job title is extremely similar to the title of the job you're applying for — e.g. Business Functional Analyst vs Business Analyst or Customer Service Manager vs Customer Care Manager.

## Option 2: List the standardized job title and internal title.

Do this if your internal job title doesn't accurately reflect the work you were doing or is full of buzzwords.

## Option 3: Use both job titles

It's also fine to list both job titles if tasks overlap.
