## **Murder In Little Rock:**

Murder in Little Rock Jan Meins, 1989-12-01 One of Arkansas top criminal attorneys Bill McArthur lived a dream life wealth a fast track career a beautiful family and influential friends in the highest circles of Little Rock society until two men brutally murdered his wife The investigation exposed a labyrinth of dark sexual passions and double crosses and an ambitious sheriff who vowed to put McArthur behind bars no matter what     **Murdered Without Cause** Genie Massey, 2022-11-03 Tresia was murdered on March 21 1992 She was in her BMW in a gas station parking lot attempting to use a payphone to call her husband who was three blocks away in his office building Three gang members approached her car One of those killers brandished a sawed off twelve gauge shotgun He then shot her at point blank range through her driver window The fired shot blew a hole through her driver s window and entered her body just below her left arm and shoulder exploding her heart We were later informed that her husband only one minute away in his railroad employment office drove to the gas station parking lot where Tresia was shot removed her body from her car then placed her in his truck driving her the furthest distance until she died on the way to the nearest hospital Jefferson Regional Medical Center where she was pronounced DOA in the emergency room Years of doubt anger and grief have crippled my family leaving us with unanswered questions hurt and enormous loss We felt that no one understood what we were going through It seemed to us no one cared and the ones that acted as if they did slowly fell away like leaves on a tree approaching fall season We felt ostracized and discarded like we had a disease Even those who were close to us avoided our family We felt very alone and isolated We were suffering We were grieving We had no one to tell us what was about to unfold in our lives or how Tresia s murder was going to change the course of our lives We didn t understand the anger that we were feeling Each and every task we set out to accomplish seemed to have stumbling blocks in front of them The Christian family we had once known and grown to love over the years washed away like waves in the sea and disappeared from our memories as well because they did not reach out to us in our time of mourning This was an added loss to us because we believed they loved us would be there for us if we ever needed them and that they cared about us Instead they acted afraid like they did not want to be involved Some of my former friends acted as though they were thinking my family was cursed and even stated in our presence that we possibly did something to anger God and that we were being punished that perhaps God was unleashing his wrath on us This couldn t have been further from the truth Murdered without Cause was written with the sole intention s of sharing Tresia s story to help others in overcoming their loss of a loved one by murder This book was also written to restore peace in my family to obtain a sense of closure that we never knew existed and to establish unspeakable justice by assisting survivors The only way to cope with any loss by murder is to continue to pray and seek God s divine purpose for your own life By reaching out to you the survivor of a loved one murdered I want you to know that you are not alone There was no book written in 1992 that could tell us how we were going to feel or what we were going to go through With this writing my wish is to guide you

through the stages of shock anger and grief so you are able to rediscover a hope that moves you forward out of your sorrow courage to lift your journey and a vision to claim a new purpose in life     [Murder in Mississippi](#) Howard Ball,2004 Few episodes in the modern civil rights movement were more galvanizing than the 1964 brutal murders of Michael Schwerner Andrew Goodman and James Chaney As we approach the 40th anniversary of the murders in June 2004 Murder in Mississippi provides a timely and telling reminder of the vigilance democracy requires if its ideals are to be fully realized     **Money Is in the House** Barrie Glover,2017-03-03 This book is about the great wealth transfer that is now occurring The wealth is being taken out of the hands of ungodly people and it is now being placed in the hands of the believing Christians who by faith and grace have received the wealth and riches of the earth This wealth transference is an ongoing occurrence orchestrated by God Almighty through his son Jesus Christ

**The Penalty is Death** Marlin Shipman,2002 In 1872 Susan Eberhart was convicted of murder for helping her lover to kill his wife The Atlanta Constitution ran a story about her hanging in Georgia that covered slightly more than four full columns of text In an editorial sermon about her the Constitution said that Miss Eberhart not only committed murder but also committed adultery and violated the sanctity of marriage An 1890 article in the Elko Independent said of Elizabeth Potts who was hanged for murder To her we look for everything that is gentle and kind and tender and we can scarcely conceive her capable of committing the highest crime known to the law Indeed at the time this attitude was also applied to women in general By 1998 the press s and society s attitudes had changed dramatically A columnist from Texas wrote that convicted murderer Karla Faye Tucker should not be spared just because she was a woman The author went on to say that women could be just as violent and aggressive as men the idea that women are defenseless and need men s protection is probably the last vestige of institutionalized sexism that needs to be rubbed out
