Muhammad Christ:

Jesus and Muhammad Mark A. Gabriel, 2004 This volume explores the surprising similarities and differences between two of the most important religious leaders of all time Jesus and Muhammad Born into a Muslim family in Egypt Gabriel is a converted Christian and former professor of Islamic history at Al Azhar University in Cairo Christ, Muhammad and I Muḥammad Ghāzūlī, 2007-04 Mohammad Al Ghazoli was raised a Muslim But the more he read the ancient literature of Islam the more convinced he became that Allah could not be the True God And the more he studied the life of Muhammad the more obvious it became that Muhammad was not God's prophet Then one day someone placed a Bible in his hands and said Read Soon Ghazoli had found the True God and forgiveness through His Son This book isn't just Ghazoli's testimony It is much more than that It contains the facts from the literature of Islam that shows why Allah can't possibly be the True God It gives proof from Islam itself that whenever Muhammad wanted more wives or riches or when he had a problem Gabriel was always standing by ready to give another verse to exempt Muhammad from the law and morality How convenient Many of the stories in the book will be unfamiliar to the Western reader but very familiar to Muslims It is this inside view of things that makes the book so powerful as a witnessing tool for Muslims Over and over again Ghazoli asks Is this the behavior of a prophet who was sent by God What kind of god would send a prophet like that The arguments contained in this book will give you powerful evidence you can show to Muslims you may try to witness to Because it is written by a respected Arab writer who was an advisor to the Arab league and even to Libyan ruler Qaddafi you can give the book to a Muslim and tell him Read Learn about The 220 contradictions in the Quran Verses which reverse and replace prior verses Did Allah make a mistake The verses used to justify terrorism Even the Quran admits Jesus was crucified Then it denies it Muhammad's 23 marriages including one to a little girl **Muhammad and Jesus** William E. Phipps, 1999-09-01 Compares the historical backgrounds childhoods later lives personal conduct and social teachings of the two religious figures as well as the way they are described in the Scriptures **Is the Father of Jesus the God of Muhammad?** Timothy George, 2009-05-26 The days when western Christians could ignore the influence of Islam are over Today as never before the world's second largest religion is shaping our culture and words such as jihad imam Quran and fatwa have entered our vocabulary While all Muslims are no more alike than all Christians are alike there are certain fundamental beliefs that all Muslims hold in common some of which Christians would agree with including belief in one true God But is it the same God How does the God of Muhammad differ from the God of Christianity Written in a clear passionate style that is conciliatory balanced and uncompromisingly biblical this book describes and contrasts the distinctives of Christianity and Islam Its author a noted historian and theologian who has studied Islam for many years writes with an eye on helping Christians better understand how to interact with Muslims Beginning with an overview of Islam what it is and how it arose here are fascinating and relevant insights on the Five Pillars of Islam the role of religious violence from the Crusades onward the doctrine of the Trinity and the character of God Christian and
