Mann,2000 People have always been curious about the plants and animals with which they coexist Primitive cultures identified edible and poisonous plants largely by trial and error and then used them for hunting executions euthanasia and magico religious rites as well as for their medicinal properties In this fascinating book John Mann investigates the evolution of modern medicine from its roots in folk medicine and reveals the continuing importance of natural plant and animal products many of which remain undiscovered but under threat by the wholesale destruction of the Earth s wild places In this new edition he has updated the material to include discussion of the background to some of the most talked about drugs of recent years including Prozac and Viagra    **Murder by Magic** Meriam Wilhelm,2017-10-10 The word outsider describes Ola Mae Masters to a T Orphaned at the young age of seven and tucked away in a swanky orphanage run by a group of dismissive nuns the life of Ola Mae Masters is anything but normal Especially when she realizes that it s ghosts she sees walking and talking in the local graveyard Shunned by her peers for being different Ola Mae is constantly barraged by the unspoken thoughts and feelings of everyone she meets But how is that even possible Alone confused and longing to be a regular kid Ola Mae must wait until she grows up to seek her own normal Degree in hand and on a quest to create a new life for herself she lands in New Moon Beach and is overjoyed to open her own bookstore Literally Magic Things seem to be

looking up for the young woman until unexplainable magical abilities start uncontrollably bubbling out of her Plagued with fear over what is happening to her it appears that fate has dropped Ola Mae into a cauldron filled with many more unexpected surprises Not the least of which is that she s not really an orphan but part of a powerful family of witches living in her adopted city How could she not have recognized that she s a witch too Opening their arms to their sister the witches of New Moon Beach must help Ola Mae hone her witchy powers and fast A dark evil has descended on the beach city that threatens to engulf Ola Mae and her newly found family in a maze of murder magic and mayhem And what of the handsome witch and the love he tempts her with Will she allow this darkness to destroy her chances for a happy ending Ola Mae must learn quickly how to use her emerging magical skills if she s ever going to be able to navigate this maze of death and destruction to save New Moon Beach and the man she s come to love *Murder, Magic, and Medicine* John Mann,1994

*The Undertakers* Nicole Glover,2021 Nothing bothers Hetty and Benji Rhodes more than a case where the answers motives and the murder itself feel a bit too neat Raimond Duval a victim of one of the many fires that have erupted recently in Philadelphia is officially declared dead after the accident but Hetty and Benji s investigation points to a powerful Fire Company known to let homes in the Black community burn to the ground Before long another death breathes new life into the Duval investigation Raimond s son Valentine is also found dead Finding themselves with the dubious honor of taking on Valentine Duval as their first major funeral it becomes clear that his passing was intentional Valentine and his father s deaths are connected and the recent fires plaguing the city might be more linked to recent community events than Hetty and Benji originally thought

***Murder by Magic*** Paul Tomlinson,2017-11-29 The Stage is Set for Murder Police are mystified when a magician is killed on stage shot inside a locked box in front of the audience and The Great Vicari is called in to investigate Ben Vicekry returns to the theatre he fled when one of his own illusions went horribly wrong Here he encounters faces from his own past and has an opportunity to lay a ghost to rest but is he ready to go back on stage As their enquiry progresses the magician sleuth and his assistant Malloy learn there is no one with a motive for murder except for one man who could not possibly have done it Unless he used magic Can they learn how the trick was performed and who was the mastermind behind it before the curtain rises on another corpse Murder by Magic is the sequel to The Sword in the Stone Dead Look for the third in the series The Missing Magician

*Murder, Magic, and What We Wore* Kelly Jones,2017 A funny Regency era mystery about a determined young woman with a magical trick up her sleeve A deliciously enchanting adventure full of magic mystery and delight Stephanie Burgis author of Kat Incorrigible *Murder, Magic, Madness* Davies Owen,2014-05-22 In 1856 William Dove a young tenant farmer was tried and executed for the poisoning of his wife Harriet

The trial might have been a straightforward case of homicide but because Dove became involved with Henry Harrison a Leeds wizard and demonstrated through his actions and words a strong belief in magic and the powers of the devil considerable effort was made to establish whether these beliefs were symptomatic of insanity It seems that Dove murdered his wife to hasten a prediction made by Harrison that he would remarry a more attractive and wealthy woman Dove employed Harrison to perform various acts of magic and also made his own written pact with the devil to improve his personal circumstances The book will study Dove s beliefs and Harrison s activities within the rural and urban communities in which they lived and examine how modern cultures attempted to explain this largely hidden mental world which was so sensationally exposed The Victorian period is often portrayed as an age of great social and educational progress This book shows how beliefs dismissed by some Victorians as medieval superstitions continued to influence the thoughts and actions of many people viz most famously Conan table tapper Doyle     **Murder by Magic** Lesley Cookman,2012-09-06 With fascinating characters and an intriguing plot this is a real page turner KATIE FFORDE praise for the series An addictive and unputdownable crime mystery novel perfect for fans of Agatha Christie Dorothy L Sayers Faith Martin J R Ellis LJ Ross Miss Marple and Midsummer Murders Lesley Cookman s bestselling series featuring amateur sleuth Libby Sarjeant is back for its tenth instalment Whatever remains however improbable must be the truth Surely Libby Sarjeant and her friend Fran Wolfe are asked to look into the sudden and unexplained death of a devoted churchgoer The police appear to have lost interest but the villagers are certain that their new lady vicar has something to do with it But if it is murder how on earth was it done There doesn t seem to be any rational explanation But could it really be magic
