

MEDIUM

A second season of dark dreams for Allison Dubois to unravel as she takes on new cases

JUST HOW MUCH mileage is there in a show about a medium who helps the police crack cases usually involving murder and abduction? Surely there are only so many times Allison Dubois can wake up with a start pronouncing she knows exactly where the body is? Well, if that was ever a conundrum, the writers and producers certainly aren't showing that it's something they struggled with as **Medium** slips into its second season and, for the most part, maintains its originality and watchability.

BEGINNING WITH THE conclusion of last season's cliffhanger – in which Allison and old friend Captain Push attempt to track down a serial killer in the most unconventional sense – the show immediately resumes what will most likely continue to be the core of the series – Allison's relationship with her husband and children. It's a smart move given that the only way the show will otherwise develop is to push the 'spooky' plot device further and further into the world of weird. Yet, while this is happening, the grounding afforded by Joe and the girls allows the viewer to conveniently forget that, for the most part, some of the goings-on are complete bobbins.

Take *Time Out of Mind*, for example. It's a story that insinuates that Allison's dreams have somehow mixed with another similarly psychic girl... some 45 years ago. It's a nice piece of escapism, but it's in stark contrast to other more grounded stories such as *The Song Remains the Same*, in which Allison's dreams are cleverly misconstrued to leave the finale cleverly disguised.

This episode also presents another layer that **Medium** is weaving around itself this year, as a particularly stylish and quirky opening (which looks for all the world like an iPod commercial) segues into an incredibly clever use of Gloria Gaynor's downtrodden female anthem *I Will Survive* as a means to solve a mystery (Allison literally can't get it out of her head).

QUIRKS, BIZARRE MYSTERIES and misdirection aside, it really is the Human drama which is making the show so watchable this year. The writers are treading where so many genre shows fail to look as they address the affects of Allison's 'gift' on her family. It's all very well being able to help people by seeing things in your dreams, but what about the husband who is left on the sidelines time after time, often having to drop work or look after the kids

because his wife has to run off at a moment's notice? All of this is presented from a very unbiased and real perspective usually associated with a straight drama, making this both a compelling viewing experience and all the more accessible to viewers who simply 'wouldn't normally watch this kind of thing'.

IT'S NOT ALL good though. Let's face it, very few shows are infallible, and while **Medium** has a lot going for it, there are a few aspects which are in dire need of ironing out. The worst offender is that the audience is often three or four scenes ahead of Allison. *Too Close to Call* is a classic case which leaves

you banging your head against the TV screen as Allison ambles around with her nose scrunched up as the mystery unravels itself, making it abundantly obvious what's going on to everyone but her. It's a failing that is often masked by the other goings-on at home (and is almost forgivable then), but when it's a mystery-centric show such as this, it really drags things down.

ULTIMATELY, **MEDIUM** IS showing great strength of character and an ability to adapt and embrace new ideas. If it could just concentrate on some smarter writing where the mysteries are concerned, it would be a real winner.

Grant Kempster

Top Allison lives another life in *Time Out of Mind*

Magazine Article Introduction

In the digital age, access to information has become easier than ever before. The ability to download Magazine Article has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Magazine Article has opened up a world of possibilities. Downloading Magazine Article provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Magazine Article has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Magazine Article. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Magazine Article. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Magazine Article, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software

installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Magazine Article has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Magazine Article Books

What is a Magazine Article PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Magazine Article PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Magazine Article PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Magazine Article PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Magazine Article PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, iLovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print

restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
