Eagle,2021-06-03 How many times have you looked directly at something and may have been completely unaware that there is more there than meets the eye Just because we cannot see something does not mean that it does not exist We must examine look closely and have faith and belief in the unseen With patience and expectation we may discover that some of the most beautiful things may be right there in front of us blended into the usual Many of the most magical things may be overlooked and we may miss out on the lesson it teaches Little Maggie is so much more than an observer She is filled with curiosity and a need to know mentality that keeps her looking with a watchful eye keeps her filled with hope for the answers she seeks while maintaining an inquisitiveness that keeps her filled with expectation In the end Maggie discovers the most valuable insight of all and one far beyond her years 1
