book attests to the unique development of modernism in Ireland driven by political as well as artistic concerns      [The Irish Book Lover ...](#) John Smyth Crone, Seamus O'Cassidy, Colm O Lochlainn, 1930      [Upstairs](#) Andrew Kingsley Weatherhead, 2000 Examines the role played by the large house in works by Woolfe Waugh Murdoch and others      [Ireland's Gramophones](#) Zan Cammack, 2021-08-10 Because gramophonic technology grew up alongside Ireland's progressively more outspoken and violent struggles for political autonomy and national stability Irish Modernism inherently links the gramophone to representations of these dramatic cultural upheavals Many key works of Irish literary modernism like those by James Joyce Elizabeth Bowen and Sean O Casey depend upon the gramophone for their ability to record Irish cultural traumas both symbolically and literally during one of the country's most fraught developmental eras In each work the gramophone testifies of its own complexity as a physical object and its multiform value in the artistic development of textual material In each work too the object seems virtually self placed less an aesthetic device than a thing belonging primordially to the text The machine is also often an agent and counterpart to literary characters Thus the gramophone points to a deeper connection between object and culture than we perceive if we consider it as only an image enhancement or instrument This book examines the gramophone as an object that refuses to remain in the background of scenes in which it appears forcing us to confront its mnemonic heritage during a period of Irish history burdened with political and cultural turbulence      [Irish Novels 1890-1940](#) John Wilson Foster, 2008-02-21 Studies of Irish fiction are still scanty in contrast to studies of Irish poetry and drama Attempting to fill a large critical vacancy Irish Novels 1890 1940 is a comprehensive survey of popular and minor fiction mainly novels published between 1890 and 1922 a crucial period in Irish cultural and political history Since the bulk of these sixty odd writers have never been written about certainly beyond brief mentions the book opens up for further exploration a literary landscape hitherto neglected perhaps even unsuspected This new landscape should alter the familiar perspectives on Irish literature of the period first of all by adding genre fiction science fiction detective novels ghost stories New Woman fiction and Great War novels to the Irish syllabus secondly by demonstrating the immense contribution of women writers to popular and mainstream Irish fiction Among the popular and prolific female writers discussed are Mrs J H Riddell B M Croker M E Francis Sarah Grand Katharine Tynan Ella MacMahon Katherine Cecil Thurston W M Letts and Hannah Lynch Indeed a critical inference of the survey is that if there is a discernible tradition of the Irish novel it is largely a female tradition A substantial postscript surveys novels by Irish women between 1922 and 1940 and relates them to the work of their female antecedents This ground breaking survey should also alter the familiar perspectives on the Ireland of 1890 1922 Many of the popular works were problem novels and hence throw light on contemporary thinking and debate on the Irish Question After the Irish Literary Revival and creation of the Free State much popular and mainstream fiction became a lost archive neglected evidence indeed of a lost Ireland      [The Bookman](#) , 1932-04      [The Library Tower](#) , 1930

comprehensive and wide ranging resource which includes information on many previously neglected British women writers novelists poets dramatists autobiographers and topics It provides contextualizing material with concise introductions to related topics including organizations movements genres and publications     *Reports of the Library Trustees and the Librarian and a List of Accessions to the Library for the Year Ending ...* Weston Public Library (Mass.),1928     Devoted Ladies M. J. Farrell,1985 Jessica and Jane have been living together for six months They are devoted friends or are they Jessica loves her friend with the cruelty of total possessiveness Jane is rich silly and drinks rather too many brandy and sodas Watching from the sidelines Sylvester regrets that she should be loved and bullied and perhaps even murdered by that frightful Jessica but decides it is none of his business When the Irish gentleman George Playfair meets Jane however he thinks otherwise he entices Jane to Ireland where the battle for her devotion begins A studied satire of art deco decadence and louche behavior Devoted Ladies is a sharp and glittering satire on female love     *Books and Notes* Los Angeles County Public Library,1926     *The Retail Bookseller* ,1935
