Mafia Born:

Mafia Born J. Vignari,M. Brady,2001-06-01 A powerful romantic story of the lives of three dynamic people born into Sicilian families Gino was born in Little Italy Martina s family is murdered ordered by a Mafia Don while Angelo becomes a ruthless hitman called the Outsider **Mafia Born** Ronald J. Watson,Fran Watson,Irwin Louis Watts,2012-09-01 Early in the 1940s it wasn t unusual to hear the word Mafia as it was almost an everyday word Today in the year 2012 it is seldom heard not that it isn t still around but the times have changed and It is more sophisticated with big business and doing things legal so as not to be as conspicuous as back in the early years of the 1930s through the 50s and 60s You may remember going to the small grocery stores and would see a fellow come in and one stand out front with long black coats and just look at the store owner as he opened the cash register and took out a certain amount of protection money and hand it to the fellow standing there with a little grin on his face as no words exchanged Then they would leave till the following week and repeat it all over again store after store to pick money If not the store might be burnt to the ground soon Back then almost everyone knew what was going on but it seemed like it was something they were scared to interfere with at the time till many years later But this story is about a very nice Lady that was just a waitress with a boyfriend that happened to become friends with a group from the underworld All of the names in this book have been changed as to protect any one of whom might still be alive The person that gathered the information and kept notes has recently passed and his lovely wife who was told of the dealings every night wrote them down as she heard his words They sat in a tiny booth typing away through the years till they had a box of five thick books more than enough for 20 books to be written For the present time we will only take a part out of one to let you know of the dealings and how Antonio became involved and how things got settled for some of the Mafia s higher up s back in the 1940s and 50s If you like crime stories you will like this one **Understanding Recruitment to**

[The Mafia's Black Opal](#) Tiffany Ransier,James Ransier,2019-09-21 Valerio Marchioni Six years ago I got the job I never wanted being the head of the Italian Mafia There s no room to take my position lightly I do whatever is required of me according to the rules passed down from my father including marrying someone I m not in love with I hold respect for her as the mother of my children and a former member of another Italian family It only takes one night for us to be split apart forever One vulnerable moment when I leave for a business trip gives someone the chance to attack my family Now my pregnant wife is gone without a trace to be found I will find who s responsible and make sure their blood runs through the streets of New York City First I have to send all the women I find in the process home Except for her the woman with nowhere to go Her It only takes one night for me to be taken I should ve been safer than anyone Yet I end up on the circuit bounced around from place to place It s only on the day I decide to escape that I m rescued by him Valerio Marchioni A man I should hate with every fiber in me But then I get to know him I see him for who he really is And by then it s too late I can never leave not even if I wanted to If he discovers who I really am I ll be dead before the men who took his wife

black American elected to become a president in the United States and I Mr G truly believed them They rejected my book in the spring of 2005 because of having unusual characters one an black American president and two a mafia member I was told that the American people wouldn t believe that my fictional story was true because there never was and there will never be a U S black American president Italian members of the Italian and Sicilian Cosa Nostras Mafiosi from the Bronx to Kenosha Wisconsin said to me that my character the Sicilian could not have been a member of the mafia because he has black blood following through his veins he wasn t born whole My readers tell me that Joseph Cicero my fictional black American Italian character resembles President Barack Obama the 44th president of the United States of America I started writing this book Born Whole in 1998 it was finished on January 2004 I am now 72 years old **The Most Elusive Scent of All** Arthur Winarczyk,2013-05-23 A tale told by a dimension a living consciousness to which some psychic minds are attune to A tale about the Sicilian Mafia in the 18th century The consciousness projects mental images of this period Images of people faces rarely distinct in different situations The opening words of Chapter 8 is one way to explain such projections With night came a fierce storm with thunder and lightning and dark visions Maria slept poorly tossing and turning The tale is developed to fit cohesively into those images A tale about a Way of Life not about organized crime In the depression of the 1930s it was the gangster Al Capone who organized soup kitchens for hungry children in Chicago USA such a compassionate deed Why To aid the very poor is as much a trait of the Sicilian Mafia as are profits from prostitution Prostitution always has been one of the largest sources of revenue for the Mafia The Mafia Way of Life is not easily understood One reason is that word Mafia is a modern invented word This tale is about the people that became part of the Mafia in that period about their background and what led them to accept this Way of Life People like Pedro an ox of a man and bodyguard or Paulo so talented and saving the life of a woman who would become his wife sets him on a path of no return of Anastasia and Romeo a high class prostitute and a killer who fall in love Central to the tale is the seduction of the first Mafia priest which begins with mysterious notes slid under the church door in a room full of women I saw her face When the Vatican hears a whisper in the wind young Sister Lucy becomes the key to solving the mystery what does Mafia want with our priests Some still want the Sicilian Mafia to be a myth but read a modern researched book such as Into the Heart of the Mafia by David Lane and the question you may ask is not who in Sicily is Mafia but who is not It is a Way of Life ancient in origin The reader needs to bear in mind too that the original womans perfumes could only be made from an essence of a flower found on a tree that only grows in Italy Thus the Most Elusive Scent mentioned all too often could have been the first true perfume ever discovered Any wonder that scent had a powerful effect on men And if we were to ask the Sicilian Mafia dimension what is the one word that can best explain Sicilian Mafia the answer is si Italian for yes Only a born Sicilian can say si and cosa nostra our thing our way the Mafia way of saying those words In Sicily there is even a Mafia cosa nostra museum and it is ever so popular with tourists
