*The Business of Digital Publishing* Frania Hall, 2022-04-28 Thoroughly revised and updated throughout the second edition of *The Business of Digital Publishing* provides an essential introduction to the development of digital products in the book and journal industries today. Offering a fundamental overview of the main technological developments that have influenced the growth of digital publishing, the author introduces students to the key terms and concepts that make digital publishing possible. The four key publishing sectors professional, reference, academic, education and trade are explored in detail, providing students with the technical literacy to understand digital developments and examine the growth of new business models. In this edition, sections have been updated to address the growth of audiobooks, reading apps, metadata and open access, while original case studies address key issues such as digital first publishing, EPUB, social media and crowdsourcing. Also covered are the key issues and debates that face the industry as a whole, such as pricing and copyright and their impact on the industry is explored through relevant case studies. Taken together, the chapters examine the challenges of digital publishing and explore the opportunities it provides to develop new and diverse audiences. *The Business of Digital Publishing* remains an invaluable resource for any publishing student looking for a starting point from which to explore the world of digital publishing.

[How to Sell a Book](#) David Kadavy, 2024-12-10 You've poured your heart into writing a book. Now learn how to get it into the hands of readers. You've written a great book. You know it has the potential to change lives. But how do you actually get people to read it? Traditional publishing seems impossible and the advice for self-published authors feels overwhelming and ineffective. Bestselling author David Kadavy reveals the exact strategies he's used to sell over 100,000 copies of his self-published nonfiction books. Discover the four M's of a book idea that sells. Craft an irresistible sales blurb that converts browsers into buyers. Learn how to make your book stand out in a sea of competition. Master the art of pricing, promotions, and advertising to reach new readers. Find out how to make a bestseller list or don't. *How to Sell a Book* isn't a get-rich-quick scheme. It's an honest, in-depth guide to building a sustainable career as an author.
