Advanced Photography Tutorial:

Langford's Advanced Photography Efthimia Bilissi, Michael Langford, 2013-01-25 Langford's Advanced Photography is the only advanced photography guide a serious student or aspiring professional will ever need. In this eighth edition Efthimia Bilissi continues in the footsteps of Michael Langford by combining an unrivalled level of technical detail with a straightforward writing style while simultaneously bringing the text firmly in to the digital era. This book covers the entire photographic process from a technical standpoint not only detailing the how but also explaining the why that is so often missing from photography texts. From the workings of cameras lenses digital imaging sensors and software to new hot topics such as HDR imaging digital asset management and even running your own photography business everything a serious photographer could need to extend their art into professional realms is covered. The book also benefits from a full glossary charts and inspirational full color images throughout with summaries and projects at the end of each chapter to reinforce the theory. *The Advanced Photography Guide* DK, 2018-07-05 Are you looking to improve your photography repertoire? Take your photography skills and technique to the next level with this inspiring and informative guide. Featuring a comprehensive range of topics from experimenting with lenses exposure and aperture to useful post production techniques the easy to follow step by step tutorials show you how to master the functions on your cameras and develop exciting new techniques. As well as refreshing your existing knowledge you will learn more advanced skills such as how to freeze movement use filters and create brilliant images from multiple exposures. Flick through inspiring ideas for projects exploring themes ranging from close ups and portraits to street scenes landscapes and the night sky while useful tips and hints help you to think creatively and tackle difficult subjects. Packed with practical advice and beautiful images *The Advanced Photography Guide* will give you the know how and confidence to produce truly stunning images and develop a distinctive style of your own.
