At the beginning of each thematic section readers will find an introductory chapter which contextualises the topic and links the different examples discussed. Drawing together rich primary research and empirical studies related to specialized tuition and the processing of languages. **Technology Enhanced Language Learning for Specialized Domains** will be an invaluable resource for academics, researchers and postgraduate students in the fields of education, computer assisted language learning, languages and linguistics and language teaching.

Emerging

Technologies and Pedagogies in the Curriculum Shengquan Yu, Mohamed Ally, Avgoustos Tsinakos, 2020-01-03. This book explores the technologies that can be used in curricula to make education smarter and more adaptive in order to better meet the needs of today's learners. The main emphasis is based on the theory and best practices of incorporating emerging technologies into curricula so as to educate learners in the 21st century. The book provides valuable insights into the future of education and examines which pedagogies are most suitable for integrating emerging technologies. It will help educators and stakeholders design and implement curricula that effectively prepare learners for the challenges of tomorrow.

Positive Psychology Perspectives on Foreign Language Learning and Teaching Danuta Gabryś-Barker, Dagmara Gałajda, 2016-05-23. This book introduces readers to the principles of a fairly new branch of psychology, positive psychology, and demonstrates how they can be applied in the context of second language acquisition in a natural environment and in instructed foreign language (FL) learning. It focuses both on the well-being and success of the learner and the professional and personal well-being of the teacher. Further, the book stresses the importance of the positive emotions and character strengths of those involved in the process of language learning and teaching, as well as the significant role played by enabling institutions such as school and at the micro level individual FL classes.
