New Prometheans:

The New Prometheans Robert S. De Ropp, 1972 **Jacqueline Kahanoff** David Ohana, 2023-11-07 Jacqueline Kahanoff A Levantine Woman is the first intellectual biography of this remarkable Egyptian Jewish intellectual whose work has secured her place in literary pantheon as a herald of Levantine Mediterranean and transnational culture. Growing up Jewish in cosmopolitan Egypt in the 1920s and 1930s Jacqueline Kahanoff experienced a bustling Middle East enriched by diverse languages, religions, and peoples who nonetheless were deeply connected to each other through history, business, daily practices, and shared landscape. At the age of twenty-four Kahanoff immigrated to the United States. Her stories, essays, and short autobiographical novel attest to her penchant to cross boundaries, generations, social classes, sexes, and Western and Eastern constructs. After immigrating to Israel in the early 1950s, she critically addressed the country's provinciality and ethnic nationalism as seen through her conception of a transnational Levantine culture. Through many writings, Kahanoff set forth her distinctive vision of Israel as a Mediterranean country with a broad multicultural Levantine identity. Drawing on an extensive array of sources ranging from interviews with Jacqueline Kahanoff's acquaintances and contemporaries to unpublished writings, David Ohana explores her fascinating life and intellectual journey from Cairo to Tel Aviv. The encompassing vision of a Levantine Israel made Kahanoff the initiator of a different cultural possibility more extensive than that offered in her time and also perhaps than is offered today.

The Gate of the Burnt One Philip G. Cohen, 2024-05-24
Based on an intriguing alternative history hypothesis, this novel imagines a world where the Moors never left Southern Spain after their 800-year reign but instead expanded their empire across Europe. This fascinating premise is explored through the chaotic lens of a bumbling film crew in the Sahara desert. The director, lost in a haze of Moroccan kif, has embraced the local culture a little too enthusiastically. With the scriptwriters gone and the leading actor in a perpetual sulk inside his Airstream, the production is at a standstill. Enter Tinctorio Indigolin, a bitcoin billionaire on the run from a Shakespeare-quoting Irish assassin. In a bid to leverage a tax loss, Indigolin acquires the film rights, injecting a new lease of life into the project. Mysteriously, a captivating screenplay begins to appear on set, page by page, night after night. Penned by an enigmatic writer, the script proposes a world where the Moors didn't just resist expulsion in 1492 but went on to dominate Spain, France, and Italy, creating an Islamic State of Europe. As the screenplay unfolds, it transforms the lives of everyone involved in the film. The narrative weaves through a labyrinth of twists, assassinations, and narrow escapes, employing the most unexpected methods, only to culminate in the most uplifting conclusion you'll encounter this year.

Marx and We Sun Zhengyu, 2024-08-01
Marxist ideology is the only fully scientific ideology, the only one able to guide mankind toward the settlement of fundamental social problems and to point out the royal road for the proletariat to take in its march toward socialism and communism. Without Marxism, modern people cannot establish true social ideals, nor can they engage in the rational pursuit of values. Without Marxism, modern people cannot choose the correct path of development, nor can they build up new forms of

civilizations Without Marxism modern people would never base their commitments to schedule the consensus building effort and support the consensus building process on any irrefutably and sufficiently sound theoretical foundations The New Prometheans John S.
