New Public Administration:

New Public Administration H. George Frederickson, 1980-09-15 This book is generally about public administration and particularly about new public administration a product of the turbulent late 1960s and the 1970s *The New Public Service* Janet V Denhardt, Robert B. Denhardt, 2015-02-12 As in earlier editions the book is organized around a set of seven core principles 1 serve citizens not customers 2 seek the public interest 3 value citizenship and public service above entrepreneurship 4 think strategically act democratically 5 recognize that accountability isn't simple 6 serve rather than steer 7 value people not just productivity The book asks us to think carefully and critically about what public service is why it is important and what values ought to guide what we do and how we do it *Toward a New Public Administration* Frank Marini, 1971 **The New Public Service** Janet Vinzant Denhardt, Robert B. Denhardt, 2007 Provides a framework for the many voices calling for the reaffirmation of democratic values citizenship and service in the public interest This work includes a chapter that addresses the practical issues of applying these ideals in actual real life situations New Public Management Jan-Erik Lane, 2000 New public management is a topical phrase to describe how management techniques from the private sector are now being applied to public services This book provides a completely up to date overview of the main theoretical models of public sector management and examines the key changes that have occurred as more and more public services are contracted out to private organisations as the public sector itself grapples with internal markets Drawing on economics organisational theory and politics Jan Erik Lane presents new public management from an analytical perspective This book uses game theory and empirical studies in order to assess the pros and cons of new public management New Public Management Kathleen McLaughlin, Ewan Ferlie, Stephen Osborne P, 2005-07-08 In this original comprehensive and multidisciplinary analysis of the impact of New Public Management in the UK leading international authorities present evaluations of current thinking and highlight the challenges for the future *Public Administration: Concepts And Theories* S.
