**European Union Governance in Central Asia** Agha Bayramov, Marek Neuman, 2024-12-09 The edited volume attempts to critically approach EU Central Asian relations asking whether when adopting a more sectoral governance approach the EU's transformative power vis vis the region is greater than initially argued and if so under what conditions it flourishes most It assesses whether through adopting a sectoral approach to the area of development infrastructure water management security climate change energy trade health education or any other element defining EU Central Asian relations the European Union is able to co shape this geopolitically strategic region If so what drives the EU's ability to do so if not what mitigates its potential influence This book contributes to the scholarship on the EU's external governance both empirically and theoretically

**Karabakh Victory** AA Kitap Collective, The Karabakh War was in one sense a very quick victory but in another sense it was a difficult and painful one Azerbaijan with Türkiye's military political and media support liberated its territories that had been under occupation for 30 years in 44 days However this war was preceded by years of sorrowful waiting long and arduous work and countless strategic plans At a time when influential elements of the world media were trying to ignore the facts Anadolu Ajansı AA selflessly courageously and professionally reported every moment of the war to the world With this book AA records for posterity how the Karabakh Victory was won and what processes were gone through day by day accompanied by unforgettable photographs The first section of the Karabakh Victory book which bears the signature of President Recep Tayyip Erdoğan in the foreword summarizes the historical foundations of the issue The second and most important part of the book consists of news and photographs from the Karabakh War which Anadolu Ajansı followed day by day The third part includes articles that examine the consequences of the Karabakh Victory in terms of both regional and global politics
