**Good Time Girls of Arizona and New Mexico** Jan MacKell Collins, 2019-08-21

As settlements and civilization moved West to follow the lure of mineral wealth and the trade of the Santa Fe Trail prostitution grew and flourished within the mining camps small towns and cities of the nineteenth century Southwest Whether escaping a bad home life lured by false advertising or seeking to subsidize their income thousands of women chose or were forced to enter an industry where they faced segregation and persecution fines and jailing and battled the other hazards of their profession Some dreamed of escape through marriage or retirement and some became infamous and even successful but more often found relief only in death An integral part of western history the stories of these women continue to fascinate readers and captivate the minds of historians today Arizona and New Mexico each had their share of working girls and madams like Sara Bowman and Dona Tules who remain notorious celebrities in the annals of history but Collins also includes the stories of lesser known women whose roles in this illicit trade help shape our understanding of the American West

*Civil War in the Southwest Borderlands, 1861-1867* Andrew E. Masich, 2017-02-03 Still the least understood theater of the Civil War the Southwest Borderlands saw not only Union and Confederate forces clashing but Indians Hispanos and Anglos struggling for survival power and dominance on both sides of the U S Mexico border While other scholars have examined individual battles Andrew E Masich is the first to analyze these conflicts as interconnected civil wars Based on previously overlooked Indian Depredation Claim records and a wealth of other sources this book is both a close up history of the Civil War in the region and an examination of the war making traditions of its diverse peoples Along the border Masich argues the Civil War played out as a collision between three warrior cultures Indians Hispanos and Anglos brought their own weapons and tactics to the struggle but they also shared many traditions Before the war the three groups engaged one another in cycles of raid and reprisal involving the taking of livestock and human captives reflecting a peculiar mixture of conflict and interdependence When U S regular troops were withdrawn in 1861 to fight in the East the resulting power vacuum led to unprecedented violence in the West Indians fought Indians Hispanos battled Hispanos and Anglos vied for control of the Southwest while each group sought allies in conflicts related only indirectly to the secession crisis When Union and Confederate forces invaded the Southwest Anglo soldiers Hispanos and sedentary Indian tribes forged alliances that allowed them to collectively wage a relentless war on Apaches Comanches and Navajos Mexico's civil war and European intervention served only to enlarge the conflict in the borderlands When the fighting subsided a new power hierarchy had emerged and relations between the region's inhabitants and their nations forever changed Masich's perspective on borderlands history offers a single cohesive framework for understanding this power shift while demonstrating the

importance of transnational and multicultural views of the American Civil War and the Southwest Borderlands *The Family Tree Sourcebook* Family Tree Editors,2010-09-20 The one book every genealogist must have Whether you re just getting started in genealogy or you re a research veteran The Family Tree Sourcebook provides you with the information you need to trace your roots across the United States including Research summaries tips and techniques with maps for every U S state Detailed county level data essential for unlocking the wealth of records hidden in the county courthouse Websites and contact information for libraries archives and genealogical and historical societies Bibliographies for each state to help you further your research You ll love having this trove of information to guide you to the family history treasures in state and county repositories It s all at your fingertips in an easy to use format and it s from the trusted experts at Family Tree Magazine **Red Light Women of the Rocky Mountains** Jan MacKell Collins,2009 These profiles of the soiled doves who plied the oldest trade in the Rocky Mountains explain many of the facts of life in the nineteenth and twentieth century West
