New Netherland Roots:

New Netherland Roots Gwenn F. Epperson, 1994 The purpose of this book is to show the researcher how to trace a 17th century New Netherland ancestor back to his place of origin in Europe Mrs Epperson demonstrates that without leaving the United States and without speaking or reading a foreign language the researcher in using such records as exist at the LDS Family History Library and family history centers throughout the United States can successfully trace his New Netherland ancestry all on his own *Dutch Colonialism, Migration and Cultural Heritage* Geert Oostindie, 2008-01-01 Migration flows in the former Dutch colonial orbit created an intricate web connecting the Netherlands to Africa Asia and the Americas Africa to the Americas and to Asia in the nineteenth century Asia to the Americas with in the post Second World War period the direction of migration shifting to the Netherlands Some of these migrations were voluntary others were forced they helped to create colonial societies that were never typically Dutch but did have Dutch characteristics Power imbalance ethnic differences and creolization characterized the cultural configuration of these colonial societies This book with contributions by a number of Dutch scholars provides state of the art discussions on these migration histories In addition it presents reflections on the ways this past and its repercussions are remembered or forgotten or actively silenced throughout the former colonial empire This part of the book is embedded in the wider contemporary debate about the contested concept of cultural heritage and about the possibility of meaningful cultural heritage policies in a post colonial world **Ancestry magazine**, 1998-05 Ancestry magazine focuses on genealogy for today s family historian with tips for using Ancestry com advice from family history experts and success stories from genealogists across the globe Regular features include Found by Megan Smolenyak reader submitted heritage recipes Howard Wolinsky s tech driven NextGen feature articles a timeline how to tips for Family Tree Maker and insider insight to new tools and records at Ancestry com Ancestry magazine is published 6 times yearly by Ancestry Inc parent company of Ancestry com [Narratives of New Netherland](#) John Franklin Jameson, 2010-07-01 Narratives of New Netherland reads like a small anthology on the discovery origins and history of the United States but from a Dutch rather than traditional English perspective A collection of excerpts from works spanning the years 1609 to 1664 a historical picture is painted through books letters journal entries and commentaries Works focus on Henry Hudson s voyage across the Atlantic and down the Hudson River as well as on settlers experiences in the New World Readers with an interest in American History will be reminded of similar stories from English settlers first experiencing the east coast John Franklin Jameson was born in Somerville Massachusetts in 1859 He attended Amherst College where he graduated valedictorian and studied with several influential historians as well as John Hopkins University where he received the first doctorate ever awarded in the field of history in 1882 Jameson went on to become a history teacher author journalist and editor He was the first professional historian to become president of the AHA and had much influence on historians in the early 20th century In 1928 he became the head of the Division of Manuscripts at the Library of Congress Jameson died in

1937 **Root Genealogical Records. 1600-1870** James Pierce Root,1870 **The Garden Magazine** ,1905 **Journal - Western New York Genealogical Society** Western New York Genealogical Society,1994 The New York Genealogical and Biographical Record ,2000 **Garden Magazine and Home Builder** ,1905 **New Netherland and the Dutch Origins of American Religious Liberty** Evan Haefeli,2013-04-08 The settlers of New Netherland were obligated to uphold religious toleration as a legal right by the Dutch Republic's founding document the 1579 Union of Utrecht which stated that everyone shall remain free in religion and that no one may be persecuted or investigated because of religion For early American historians this statement unique in the world at its time lies at the root of American pluralism New Netherland and the Dutch Origins of American Religious Liberty offers a new reading of the way tolerance operated in colonial America Using sources in several languages and looking at laws and ideas as well as their enforcement and resistance Evan Haefeli shows that although tolerance as a general principle was respected in the colony there was a pronounced struggle against it in practice Crucial to the fate of New Netherland were the changing religious and political dynamics within the English empire In the end Haefeli argues the most crucial factor in laying the groundwork for religious tolerance in colonial America was less what the Dutch did than their loss of the region to the English at a moment when the English were unusually open to religious tolerance This legacy often overlooked turns out to be critical to the history of American religious diversity By setting Dutch America within its broader imperial context New Netherland and the Dutch Origins of American Religious Liberty offers a comprehensive and nuanced history of a conflict integral to the histories of the Dutch republic early America and religious tolerance **Religion and Trade in New Netherland** George L. Procter-Smith,2018-05-31 The Dutch colony of New Netherland in the seventeenth century enjoyed a greater diversity of religious beliefs than any of the English colonies in America at the time except possibly Rhode Island George L Procter Smith has investigated the background and reasons for this religious diversity and toleration despite the legal establishment of the Dutch Reformed Church All colonies have to be understood in terms of their mother country but Procter Smith insists the European background is especially important in the study of New Netherland He devotes about half the book to the religious situation in the Netherlands and the de facto toleration that existed despite the state church The Dutch colony in America was founded for trade not for religious reasons which were so prominent in the neighboring English colonies As the Dutch directors of the West India Company the colony's proprietor tried to recruit settlers they realized that intolerance and religious persecution would keep many prospective settlers away Consequently they paid lip service to the Dutch Reformed establishment but in practice allowed dissenters to practice their religion in private Procter Smith has written a clear persuasive account of religion and politics as shaped by the Dutch trading interests in both Europe and New Netherland Review for Religious A Journal of Catholic Spirituality **The New Hampshire Genealogical Record** ,1992 *Munsey's Magazine* ,1919 **Explorers, Fortunes and Love Letters** New Netherland Institute,2010-04-01 When Henry Hudson sailing on the Half Moon for the Dutch East India

Company first laid eyes on the entrance to the Hudson River in 1609 a world of seemingly infinite possibilities lay before him and his crew In 1624 the Dutch would take advantage of these opportunities and create the colony of New Netherland building homes and communities that stretched from the Delaware Bay up along the Hudson River Valley to present day Albany New York The story of New Netherland is often overlooked in tales of the founding of America The essays in Explorers Fortunes and Love Letters A Window on New Netherland offer a new perspective that takes the spotlight off the Puritans of New England and the settlers of Jamestown Virginia and instead offers striking arguments for casting the Dutch as central players in the American narrative These twelve essays written by preeminent historians of New Netherland pull from diverse perspectives social cultural intellectual economic and political to weave together the dynamic and diverse history of the Dutch in America These scholars explore all aspects of Dutch life ranging from sailing methods to factional politics to written expressions of love The authors discuss how settlers retained traditions from the Netherlands such as the baking of bread and how these traditions changed over time and became engrained in American culture including the transformation of the Dutch St Nicholas into today s Santa Claus The colony of New Netherland was marked by its diversity and this topic is explored in discussions of the relationship between Native Americans and Dutch settlers in the Mohawk Valley the role of Jews in New Netherland and the practice of slavery throughout the colony The Dutch perspective on child rearing practices is also examined as well as the dream of attaining fortune in the New World The Dutch colony of New Netherland and the development of America are not separate stories but are inextricably linked together through historical moments and present realities Dutch settlers played critical roles in building the nation their influences are not lost and forgotten but are clearly evident even today Explorers Fortunes and Love Letters brings the reader into the everyday life of New Netherland and displays just how prominently the Dutch shaped America **German Genealogical Digest** ,1993

The Elevator Constructor ,1907 **Documents Relative to the Colonial History of the State of New-York: new ser., v. 1 . Documents relating to the history of the Dutch and Swedish settlements on the Delaware River, 1877**
John Romeyn Brodhead,1877 **Munsey's Weekly** ,1919 **Hawkeye Heritage** ,1994 **Heritage Quest** ,1996
