**Treme** Lolis Eric Elie,2013-07-23 Far from being just a gimmicky marketing ploy Treme is an engaging representation of the cuisine of modern day New Orleans Fascinating The Austin Chronicle Inspired by David Simon's award winning HBO series Treme this celebration of the culinary spirit of post Katrina New Orleans features recipes and tributes from the characters real and

fictional who highlight the Crescent City's rich foodways. From chef Janette Desautel's own Crawfish Ravioli and LaDonna Batiste Williams's Smothered Turnip Soup to the city's finest Sazerac, New Orleans cuisine is a melting pot of influences from Creole to Vietnamese, at once new and old, genteel and down home, and in the words of Toni Bernette, seasoned with delicious nostalgia. As visually rich as the series itself, the book includes 100 heritage and contemporary recipes from the city's heralded restaurants such as Upperline, Bayona Restaurant, August, and Herbsaint, plus original recipes from renowned chefs Eric Ripert, David Chang, and other Treme guest stars. For the six million who come to New Orleans each year for its food and music, this is the ultimate homage to the traditions that make it one of the world's greatest cities. Food, music, and New Orleans are all passions about which it seems to me all reasonable people of substance should be vocal. This book gives voice to the characters' real and imaginary whose love and deep attachments to a great but deeply wounded city should be immediately understandable with one bite.

Anthony Bourdain     *Classic Restaurants of New Orleans* Alexandra Kennon, 2013-09-03

A culinary history of some of the Crescent City's best restaurants through the years, featuring delicious recipes you can make at home. Every New Orleanian knows Leah Chase's gumbo, but few realize that the Freedom Fighters gathered and strategized over bowls of that very dish. Or that Parkway's roast beef po boy originated in a streetcar conductors' strike. In a town where Antoine's Oysters Rockefeller is still served up by the founder's great great grandson, discover the chefs and restaurateurs who kept their gas flames burning through the Great Depression and Hurricane Katrina. Author Alexandra Kennon weaves the classic offerings of Creole grande dames together with contemporary neighborhood staples for a guide through the Crescent City's culinary soul. From Brennan's Bananas Foster to Galatoire's Souffl Potatoes, this collection also features a recipe from each restaurant, allowing readers to replicate iconic New Orleans cuisine at home. I tip my toque to Alex Kennon for a captivating walk through New Orleans restaurant history from the owners who preserved these houses of gastronomy to the legendary chefs who managed taste and flavor. As reflected through these pages, the Crescent City feeds the soul like no other place on the globe. Chef John D. Folse, Louisiana's culinary ambassador to the world. The roux spattered archives of Antoine's, Arnaud's, Parkway Bakery and Tavern, and other heavyweights are crammed with anecdotes not to mention recipes, but that's where Kennon's highly unusual CV comes in. The editor/entertainer sifts through a century and a half of culinary histories to craft a compelling narrative rife with colorful traditions. Just as valuable are her expansive conversations with owners, chefs, bartenders, and oyster shuckers alike as they tote weighty reputations and make delicate changes with another century of success in mind. *Country Roads Magazine* Within its pages, Kennon explores what it's like to be part of the process of creating the thousands of memorable meals that have been served at some of the most beloved and mostly family run restaurants over the decades.
