## **New Religious Movements Experience In America:**

*The New Religious Movements Experience in America* Eugene V. Gallagher, 2004-10-30 Wherever and whenever they appear new religious movements always produce conflict Even as they attract members who enthusiastically embrace their innovative teachings new religions often provoke strongly negative reactions often because they challenge established notions of proper religious action belief and morality Opponents of new religious movements often brand them as cults and urge their fellow citizens their own religions and even the government to take action against what they see as suspicious and potentially dangerous movements the members often complain that their motives have been misconstrued and argue that their groups are unfairly persecuted The New Religious Movements Experience in America outlines the conflict between representatives of the status quo and new religions and examines how these groups appear both to their members and to their cultural opponents This work is ideal for anyone students parents and teachers who wish to gain a deeper understanding of new religious movements in America New religions have always been part of the American religious landscape and this book moves beyond the contemporary period to discuss examples of new religions that have originated survived or died and sometimes prospered throughout U S history Among the groups discussed are the Mormons the Peoples Temple the Branch Davidians Spiritualism Theosophy the Church Universal and Triumphant the International Society for Krishna Consciousness the followers of Bhagwan Shree Rajneesh Soka Gakkai the Nation of Islam Wiccans and neo Pagans the Church of Satan the Church of Scientology Heaven s Gate and the Raelians The New Religious Movements Experience in America includes a glossary and a list of resources for those interested in doing further research on the experience of the followers of new religions

*Introduction to New and Alternative Religions in America* William M. Ashcraft, Eugene V. Gallagher, 2006-10-30 Most new or alternative religious are gravely misunderstood by members of the religious mainstream Labeled cults or sects groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large Despite their efforts at educating the general public the various anti and counter cult activists have in fact promoted much more mis understanding than accurate understanding of the religious lives of some of their fellow citizens Consequently they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so called mainstream This set rectifies the situation by presenting accurate comprehensive authoritative and accessible accounts of various new and alternative religious movements that have been and are active in American society and it addresses ways of understanding new and alternative religions within a broader context Determining what actually constitutes a new or alternative religion is a subject of constant debate Questions arise as to a new faith s legitimacy beliefs methods of conversion and other facets of a religious movement s viability and place in a given culture How a religion gains recognition by the mainstream which often labels such new movements as cults is fraught with difficulty tension and fear Here experts delineate the boundaries and examine the various groups beliefs movements and other issues related to

new faiths and alternative beliefs Readers will come away with a fuller understanding of the religious landscape in America today Volume 1 History and Controversies discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them This volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved Volume 2 Jewish and Christian Traditions explores the various new religions that have grown out of these two Abrahamic faiths Groups such as the Shakers the People s Temple the Branch Davidians Jehovah s Witnesses and others are examined Volume 3 Metaphysical New Age and Neopagan Movements looks at Shamanism Spiritualism Wicca and Paganism among other movements as they have developed and grown in the U S These faiths have found new and devoted followers yet are often misunderstood Volume 4 Asian Traditions focuses on those new and alternative religions that have been inspired by Asian religious traditions From Baha i to Soka Gakkai from Adidam to the Vedanta Society contributors look at a full range of groups practicing and worshiping in the U S today Volume 5 African Diaspora Traditions and Other American Innovations examines the various traditions linked to the African diaspora such as Rastafarianism Santeria and the Nation of Islam alongside traditions that are truly American incarnations like Scientology UFO religions and Heaven s Gate Some of the new and alternative religions covered in these pages include Shamanism Wicca Black Israelites Santeria Scientology Elan Vital Hare Krishna Soka Gakkai and many more

**Visioning New and Minority Religions** Eugene Gallagher, 2016-11-25 Rather than being ephemeral fads new religious movements NRMs have always been and will always be with us So will their study Offering an assessment of the state of the field of the study of NRMs Visioning New and Minority Religions begins by considering the analytical tools for the study of new or minority religions drawing on the perspectives of diverse academic disciplines The second part focuses on individual groups in a variety of geographical settings Chapters in this section review the histories of particular groups in order to extrapolate future developments They cover new religions that have persisted well past the first generation such as the Church of Jesus Christ of Latter day Saints and the Christian Scientists and groups with comparatively shorter histories such as various forms of contemporary Paganism Soka Gakkai and the Diamond Way Buddhist group This volume will be of interest to scholars from across religious studies and sociology as well as members of new and minority religious groups and those in cult watching groups

**Religious Movements in Contemporary America** Irving I. Zaretsky, Mark P. Leone, 2015-03-08 Contemporary religious movements in America vary greatly in their organization goals methods and membership Reflecting the striking diversity of the current religious movement the papers in this volume consider three categories of religious movements native American churches recently founded religious groups and syncretistic groups based on imported cults The general aim is to understand the varieties of human behavior within these institutions and to point out their relationship to society in the United States Originally published in 1975 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press

These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

*The Columbia Guide to Religion in American History* Paul Harvey, Edward Blum, 2012-02-14 Introduction major themes in American religious history Paul Harvey and Edward J Blum Colonial encounters Linford D Fisher Native American religions Suzanne Crawford O'Brien Civil religion and national identity Andrew M Manis Theology Mark Noll Evangelicals in American history Douglas A Sweeney Religion and politics Jason C Bivins Religion and the law in American history Frank S Ravitch Religion war and peace Ira R Chernus Religion gender and sexuality Anthony Michael Petro Religion race and African American life Edward J Blum Religion ethnicity and the immigrant experience Roberto R Trevi o Asian American religions Timothy Tseng Alternative religious movements in American history Stephen J Stein Religion and the environment Lynn Ross Bryant Religion and popular culture Philip Goff Religious conservatism and fundamentalism Margaret Bendroth Catholicism in America Leslie Woodcock Tentler American Judaism Alan T Levenson The Church of Jesus Christ of Latter day Saints Mormons D Michael Quinn Islam in America Jane Smith

Religion in Contemporary America Charles H. Lippy, Eric Tranby, 2013-03-12 This book provides a fresh engaging multi disciplinary introduction to religion in contemporary America The chapters explore the roots of contemporary American religion from the 1950s up to the present day looking at the major traditions including mainline Protestantism the evangelical pentecostal surge Catholicism Judaism African American religions and new religious movements The authors ask whether Americans are becoming less religious and how religious thought has moved from traditional systematic theology to approaches such as black and feminist theology and environmental theology The book introduces religion and social theory and explores key issues and themes such as religion and social change politics gender sexuality diversity race and poverty Students and instructors will find the combination of historical and sociological perspectives an invaluable aid to understanding this fascinating but complex field

Encyclopedia of Contemporary American Social Issues Michael Shally-Jensen, 2010-12-22 This single source reference will help students and general readers alike understand the most critical issues facing American society today Featuring the work of almost 200 expert contributors the Encyclopedia of Contemporary American Social Issues comprises four volumes each devoted to a particular subject area Volume one covers business and the economy volume two criminal justice volume three family and society and volume four the environment science and technology Coverage within these volumes ranges from biotechnology to identity theft from racial profiling to corporate governance from school choice to food safety The work brings into focus a broad array of key issues confronting American society today Approximately 225 in depth entries lay out the controversies debated in the media on campuses in government in boardrooms and in homes and neighborhoods across the United States Critical issues in criminology medicine religion commerce education the environment media family life and science are all carefully described

and examined in a scholarly yet accessible way Sidebars photos charts and graphs throughout augment the entries making them even more compelling and informative

**The Oxford Handbook of Religion and American Education** Michael D. Waggoner, Nathan C. Walker, 2018-08-01 From the founding of Harvard College in 1636 as a mission for training young clergy to the landmark 1968 Supreme Court decision in *Epperson v Arkansas* which struck down the state's ban on teaching evolution in schools religion and education in the United States have been inextricably linked Still today new fights emerge over the rights and limitations of religion in the classroom The Oxford Handbook of Religion and American Education brings together preeminent scholars from the fields of religion education law and political science to craft a comprehensive survey and assessment of the study of religion and education in the United States The essays in the first part develop six distinct conceptual lenses through which to view American education including Privatism Secularism Pluralism Religious Literacy Religious Liberty and Democracy The following four parts expand on these concepts in a diverse range of educational frames public schools faith based K 12 education higher education and lifespan faith development Designed for a diverse and interdisciplinary audience this addition to the Oxford Handbook series sets for itself a broad goal of understanding the place of religion and education in a modern democracy

[From the Outside Looking In](#) Reid L. Neilson, Matthew J. Grow, 2016 This book contains fifteen essays from leading historians and religious studies scholars each originally presented as the annual Tanner lecture at the conference of the Mormon History Association Approaching Mormon history from a variety of angles such as gender identity creation American imperialism and globalization these scholars all experts in their fields but new to the study of Mormon history itself ask intriguing questions about Mormonism's past and future and analyze familiar sources in unexpected ways

**Bibliographies on New Religious Movements in America** Program for the Study of New Religious Movements in America, 1977

**'Cult Wars' in Historical Perspective** Eugene V. Gallagher, 2016-07-01 *Cult Wars in Historical Perspective* provides a broad characterization of the shifting religious contours over the past several decades Offering an assessment of several important topics in the study of new religions this book explores developments in well known groups such as the Unification movement The Family International Children of God the International Society for Krishna Consciousness ISKCON and the Church of Scientology Bringing together both insiders and outsiders from various academic disciplines and personal perspectives this book takes account of the ways in which the cult question is defined and addressed in different countries It offers a vivid depiction of how the cult wars or cult controversies of the late twentieth and early twenty first centuries first took shape the transformation of deeply entrenched positions on cults and sects as at least some members of new groups cult watchers and academics entered into serious and sustained conversations about topics of mutual concern the shifting foci and concerns of the general public law enforcement and the courts and academics in various countries and the complex histories of individual groups in which many dramatic transformations have occurred despite their comparatively short life spans

**Many Peoples, Many Faiths** Robert S. Ellwood, Barbara A. McGraw, 2016-09-16 For more

than three decades this introduction to the world's religions *Many Peoples Many Faiths* has combined factual information with empathic writing that seeks to convey the flavor of our planet's diverse religions and cultures. This classic work helps students gain a sense of each religion's unique characteristics while tackling some of today's most critical religious issues. It is written in an engaging style and has been fully updated with fresh insights and information on each of the world's major religions along with new religious movements.

**New Age, Neopagan, and New Religious Movements** Hugh B. Urban, 2015-09-15 *New Age Neopagan and New Religious Movements* is the most extensive study to date of modern American alternative spiritual currents. Hugh B. Urban covers a range of emerging religions from the mid nineteenth century to the present including the Nation of Islam, Mormonism, Scientology, ISKCON, Wicca, the Church of Satan, Peoples Temple, and the Branch Davidians. This essential text engages students by addressing major theoretical and methodological issues in the study of new religions and is organized to guide students in their learning. Each chapter focuses on one important issue involving a particular faith group, providing readers with examples that illustrate larger issues in the study of religion and American culture. Urban addresses such questions as: Why has there been such a tremendous proliferation of new spiritual forms in the past 150 years even as our society has become increasingly rational, scientific, technological, and secular? Why has the United States become the heartland for the explosion of new religious movements? How do we deal with complex legal debates such as the use of peyote by the Native American Church or the practice of plural marriage by some Mormon communities? And how do we navigate issues of religious freedom and privacy in an age of religious violence, terrorism, and government surveillance?

**RELIGIOUS MOVEMENTS IN CONTEMPORARY AMERICA** Irving Zaretsky, 1979

*Communities of Dissent* Stephen J. Stein, 2003-04-24 The book also covers the milestones in the history of alternative American religions from the infamous Salem witch trials and mass suicide murder at Jonestown to the positive ways in which these religions have affected racial relations and the empowerment of women.

BOOK JACKET *Religious Movements in Contemporary America* Irving I. Zaretsky, Mark P. Leone, 1974 [New Religious Movements and Religious Liberty in America](#) Derek Davis, Barry Hankins, 2003 New nontraditional religious movements are the most likely groups to offend mainstream culture and the least likely to have representatives in government to ensure that their liberty is protected. These new religious movements are sometimes ostracized and subject to various forms of discrimination. As America becomes increasingly pluralistic with more and more groups contributing to the nation's religious mosaic, new religious movements may well play an increasing role in the course of religious liberty in America, just as groups such as the Jehovah's Witnesses did formerly. This book explores the problems and possibilities posed by new religious movements for religious liberty in America.

**New Religious Movements: A Very Short Introduction** Chancellor's Professor of Religious Studies Emeritus Stephen J. Stein, 2022-12-06 This *Very Short Introduction* defines and describes New Religious Movements and documents their presence across the globe. It identifies the origin, nature, diversity, and appeal of NRMs and provides commentary on

such religious communities and on their prospects for the future growth and development

*Introduction to New and Alternative Religions in America* William M. Ashcraft, Eugene V. Gallagher, 2006-10-30 Most new or alternative religions are gravely misunderstood by members of the religious mainstream. Labeled cults or sects, groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large. Despite their efforts at educating the general public, the various anti and counter cult activists have in fact promoted much more misunderstanding than accurate understanding of the religious lives of some of their fellow citizens. Consequently, they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so-called mainstream. This set rectifies the situation by presenting accurate, comprehensive, authoritative and accessible accounts of various new and alternative religious movements that have been and are active in American society and it addresses ways of understanding new and alternative religions within a broader context. Determining what actually constitutes a new or alternative religion is a subject of constant debate. Questions arise as to a new faith's legitimacy, beliefs, methods of conversion and other facets of a religious movement's viability and place in a given culture. How a religion gains recognition by the mainstream, which often labels such new movements as cults, is fraught with difficulty, tension and fear. Here, experts delineate the boundaries and examine the various groups, beliefs, movements and other issues related to new faiths and alternative beliefs. Readers will come away with a fuller understanding of the religious landscape in America today.

Volume 1: *History and Controversies* discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them. This volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved.

Volume 2: *Jewish and Christian Traditions* explores the various new religions that have grown out of these two Abrahamic faiths. Groups such as the Shakers, the People's Temple, the Branch Davidians, Jehovah's Witnesses and others are examined.

Volume 3: *Metaphysical, New Age and Neopagan Movements* looks at Shamanism, Spiritualism, Wicca and Paganism among other movements as they have developed and grown in the U.S. These faiths have found new and devoted followers yet are often misunderstood.

Volume 4: *Asian Traditions* focuses on those new and alternative religions that have been inspired by Asian religious traditions. From Baha'i to Soka Gakkai, from Adidam to the Vedanta Society, contributors look at a full range of groups practicing and worshiping in the U.S. today.

Volume 5: *African Diaspora Traditions and Other American Innovations* examines the various traditions linked to the African diaspora, such as Rastafarianism, Santeria and the Nation of Islam, alongside traditions that are truly American incarnations like Scientology, UFO religions and Heaven's Gate. Some of the new and alternative religions covered in these pages include Shamanism, Wicca, Black Israelites, Santeria, Scientology, Elan Vital, Hare Krishna, Soka Gakkai and many more.

**The Future of New Religious Movements** David G. Bromley, Phillip E. Hammond, New Ecumenical Research Association (Unification Theological Seminary), 1987

## Whispering the Techniques of Language: An Mental Journey through **New Religious Movements Experience In America**

### New Religious Movements Experience In America Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free New Religious Movements Experience In America PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing

individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free New Religious Movements Experience In America PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of New Religious Movements Experience In America free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About New Religious Movements Experience In America Books**

1. Where can I buy New Religious Movements Experience In America books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a New Religious Movements Experience In America book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
