New Russians By Smith:

The New Russians Hedrick Smith, 2012-12-05 NEW YORK TIMES BESTSELLER From the Pulitzer Prize winning author of *The Russians* a lively and provocative analysis of the Soviet Union in its twilight years The New York Times Book Review Even from afar the transformation in the Soviet Union held a special fascination for all of us and not only because it affected our destiny our survival even the changing nature of our own society What happened there riveted our interest for a deeper reason It was a modern enactment of one of the archetypal stories of human existence that of the struggle from darkness to light from poverty toward prosperity from dictatorship toward democracy It represented an affirmation of the relentless human struggle to break free from the bonds of hierarchy and dogma to strive for a better life for stronger richer values It was an affirmation of the human capacity for change growth renewal *The New Russians* is about how that story of change began and what this change meant for the Russian people and for the rest of the world *The New Russians/Hedrick Smith* Hedrick Smith, 1991 *The Russians* Hedrick Smith, 1976 Hedrick Smith has done what we all wish we could do he has gone to Russia and spoken to the people Over steaming samovars in cramped flats and on dirt floors he has spoken to peasants and bureaucrats artists and officials He has studied their customs and their governments and shares his fascinating insights and fresh perspectives with us *Cold War Correspondents* Dina Fainberg, 2021-01-19 Foreign correspondents played a crucial role in promoting the ideas and values of the Cold War As they brought the foreign world to their Soviet and American readers these journalists projected their own ideologies onto their reporting In an age of mutual acrimony and closed borders journalists were among the few individuals who crossed the Iron Curtain Their reporting strongly influenced the ways that policy makers pundits and ordinary people came to understand the American or the Soviet other In *Cold War Correspondents* Dina Fainberg examines how Soviet and American journalists covered the rival superpower and how two distinctive sets of truth systems professional practices and political cultures shaped international reporting Fainberg explores private and public interactions among multiple groups that shaped coverage of the Cold War adversary including journalists and their sources editors news media executives government officials diplomats American pundits Soviet censors and audiences on both sides Foreign correspondents Fainberg argues were keen analytical observers who aspired to understand their host country and probe its depths At the same time they were fundamentally shaped by their cultural and institutional backgrounds to the point that their views of the rival superpower were refracted through values of their own culture International reporting grounded and personalized the differences between the two nations describing the other side in readily recognizable self referential terms Fundamentally Fainberg demonstrates Americans and Soviets during the Cold War came to understand themselves through the creation of images of each other Drawing on interviews with veteran journalists and Soviet dissidents *Cold War Correspondents* also uses previously unexamined Soviet and US government records newspaper and news agency archives rare Soviet cartoons and individual correspondents personal papers letters

diaries books and articles Striking black and white photos depict foreign correspondents in action Taken together these sources illuminate a rich history of private and professional lives at the heart of the superpower conflict **Russian Corporate Capitalism from Peter the Great to Perestroika** Thomas C. Owen,1995 Professor Owen examines corporate capitalism under the Tsarist and late Soviet regimes Covering two hundred years from the Tsarist period through perestroika and into the present he demonstrates the historical obstacles that have confronted Russian corporate entrepreneurs and the continuity of Russian attitudes toward corporate capitalism *Soviet Self-Hatred* Eliot Borenstein,2023-06-15 Soviet Self Hatred examines the imaginary Russian identities that emerged following the collapse of the Soviet Union Eliot Borenstein shows how these identities are best understood as balanced on a simple axis between pride and shame shifting in response to Russia s standing in the global community its anxieties about internal dissension and foreign threats and its stark socioeconomic inequalities Through close readings of Russian fiction films jokes songs fan culture and Internet memes Borenstein identifies and analyzes four distinct types with which Russians identify or project onto others They are the sovok the Soviet yokel the New Russian the despised ridiculous nouveau riche the vatnik the belligerent jingoistic patriot and the Orc the ultraviolent savage derived from a deliberate misreading of Tolkien s epic Through these contested identities Soviet Self Hatred shows how stories people tell about themselves can tragically become the stories that others are forced to live

Retreat from the Finland Station Kenneth Murphy,1992 In examining the lives of leading revolutionaries Nicolai Bukharin Milovan Djilas Imre Nagy and Alexander Dubcek and writers Andre Gide Arthur Koestler Ignazio Silone and even the young Alexander Solzhenitsyn who became prisoners rather than masters of the bloodshed their adherence to socialism seemed to unleash Murphy reveals to us the terrible moral consequences they suffered as their faith in socialism crumbled He compellingly shows how their idealistic vision spawned a world of want anger terror and death For blind obedience to the socialist cause allowed the new state to perpetuate indeed to incarnate the violence out of which it was born In so doing the idea of revolutionary liberty was devoured Freedom surrendered to Stalinist terror political innocence to Communist corruption eloquence to the silence of the gulag The American Teacher ,1929 **Soviet Union Review** ,1932
