The New Testament Church Then and Now E. LeRoy Lawson, LeRoy Lawson, 1996 LeRoy Lawson gives a clear picture of the first church then explains why we need to belong to a church how a church should be organized and structured salvation worship and the meaning of New Testament Church      The New Testament Church Then and Now Timothy Heck, 1996-07 Thirteen sessions that show adults how to recapture the vitality and mission of the first church Includes lesson plans for classes and small groups      The Church, Then and Now Stanley E. Porter, Cynthia Long Westfall, 2012-10-26 The church is one of the most intriguing and significant institutions on earth Because its essence and character are so widely misunderstood this is a timely book The church is not a mere human institution though it is made up of human beings in community Its roles and responsibilities are momentous but all the elements of its organization came about as the church developed and attempted to fulfill its divine mandate not as forms given at its founding These papers from a Bingham Colloquium at McMaster Divinity College treat the church then in studies of the church in the various parts of the New Testament canon followed by a historical study of the church under attack in places where it did not survive The latter part of the book contains essays by several church practitioners from now who discuss their insights about and experiences with postmodern society home churches megachurches and the missional church Such a combination of biblical theology history and practice makes this a valuable book for scholars and practitioners in fact for all thinking members of the church founded by Jesus Christ      **The New Testament Church Then and Now/Workbook** E. [Being a Compilation from the Works of Joanna Southcott]* Joanna Southcott, 1865      **The Works of John Cotton, Volumes 1-5** John Cotton, 2025-11-13 John Cotton shaped the doctrine worship and discipline of a fledgling society striving to live fully under God's Word With clarity conviction and pastoral warmth he addressed both the great ecclesiastical questions and the intimate personal wrestlings of his time The Works of John Cotton gathers his most important treatises and sermons in a newly edited cloth bound set It recovers a vital link in the chain of Reformed thought and reintroduces a voice that helped shape the American church before it had a name      *He Shall Glorify Me* W. Gary Crampton, 2004-06      *Notes, explanatory and practical, on the New Testament.* ed. by R. Frew Albert Barnes, 1884      Then Is Now Wayne R. Viereck, 2017-08-30 Wayne R Viereck has been a pastor for fifty five years During his decades of service with different Lutheran and community congregations he confronted the same questions over and over reminding him of his own days in the seminary Like the

members of his congregation he too had many questions about the interpretation of scripture and its modern applications Viereck remembers his disappointment as instructors chastised him for asking too many questions and his joy at discovering there were others who celebrated and encouraged his natural curiosity Viereck's new biblical study *Then Is Now* is in honor of all those curious congregants He hopes that his work not only answers your questions about the New Testament but fires you up and inspires you to dig deeper into scripture *Then Is Now* discusses the following The historical context of the New Testament The viewpoint of communities of the early church The evolution of biblical interpretation The effects of the Reformation The meaning of the important narratives of the New Testament Viereck provides an in depth examination of the birth passion and resurrection accounts found in the Gospels He shows how the Bible can be seen through both first century and twenty first century lenses *The Complete Works* John Bunyan, 1877 **The Magazine of Christian Literature**, 1892 **Jesus Now and Then** Richard A. Burridge, Graham Gould, 2004 *Jesus Now and Then* engagingly traces the changing images of Jesus in scholarship and popular culture from the time of the early church to the present day Who did Jesus think he was Did the early church take a man and make him into God Was Christianity actually invented by Paul How has Jesus been treated in the centuries since What contemporary views are compatible with a traditional understanding of Scripture Richard Burridge and Graham Gould leave no stone unturned in detailing Jesus's life and legacy They start with the evidence about Jesus found in the New Testament and then go on to explore the early church debates as a way of tackling contemporary issues They also discuss how the figure of Jesus has been portrayed through history how his teachings have been understood and how he has come to be worshiped by Christians around the world This essential historical information sets current questions and controversies about Jesus into context and helps to explain the many different views and interpretations of him now on offer *A Commentary on the Holy Bible: Commentary on the New Testament* Bp.
