## **New Thing On Earth:**

*Heaven Exists Alright* Junior Mary-Grace Masarakufa,2019-04-05 Over the ages Christianity has experienced and endured many hardships trials struggles martyrdoms persecutions and all sorts of pain for generations from since the church was born But the actual fact is that the spiritual war that started at the creation of this present world between good and evil has been raging on over the ages and has never stopped In fact as the days go by and the end of the present system of things is coming nearer and nearer according to the Bible things are going to get worse and worse This is what has been written in the Bible about Lucifer the devil However the church still has to go on and not despair or lose hope And most importantly the church should not lose focus Why Because she believes in the almighty powerful and able God the faithful God the God of the universe who is the Creator of the heavens and the earth The Christian faith and hope is not hope in the human spirit human goodness human abilities human qualifications human intellectuality human endurance human experience human plans or human achievements Rather it is hope in the power and faithfulness of the living God the God of Abraham Isaac and Jacob Abraham s God was and is the God of the whole earth He is the God of Jacob the father of the twelve tribes of Israel Christianity believes in the God who does not fail This God is known for his abilities which are unique and cannot be compared with anyone else or with any other god *Welcome to the One Great Story!* George B. Thompson Jr.,2020-09-02

The Bible is not easy to figure out Churches are filled with adults who are too embarrassed to admit their sketchy knowledge and jumbled impressions of biblical material Even seminary trained pastors struggle to get a handle on the flow of the Scriptures from beginning to end No wonder so many people give up on the Bible and even the church This book claims that what gives the Bible its overarching integrity and lasting value is a narrative a storyline Readers who approach the Bible with narrative in mind will discover from Genesis to Revelation a story that begins at a certain point establishes a theme develops continues and adapts that theme and reaches a resolution of sorts Rather than a book by book treatment of the Bible this book identifies and traces a Story that stretches across the corpus of the canon a Story in which divine promise and human response constantly define each episode Text boxes reflection questions chapter questions and activities encourage the reader to engage with content at more than one level all along the way Engaging with the Bible can become exhilarating and gratifying *Living Hope for the End of Days* John S.
