New Truth About Menopause:

The New Truth About Menopause Carol Landau, Michele G. Cyr, 2003-11-01 Nearly every month brings alarming new headlines about menopause and hormone therapy leaving millions of women who were taking those hormones or planning to take them unsure of what to do next Even their doctors don't always know After all for years the medical establishment had been saying that hormones protected women against heart attacks and Alzheimer's disease Now two distinguished leaders in the field have stepped forward to help women make sense of the latest findings Drs Landau and Cyr offer frank expert advice for women who don't know whether to stop or start hormone therapy are at risk for heart disease osteoporosis or breast cancer suffer from disabling hot flashes or mood swings want the facts on safe effective alternatives to hormone treatment From evaluating new research to assessing their risk factors and goals this book helps women go beyond the headlines to take charge of their own well-being

Periods in Pop Culture Lauren Rosewarne, 2012-06-14 Menstruation seldom gets a starring role on screen despite being experienced regularly by nearly all women for a good many decades of their lives *Periods in Pop Culture: Menstruation in Film and Television* by Lauren Rosewarne turns the spotlight on period portrayals in media examining the presence of menstruation in a broad range of contemporary pop culture Drawing on a vast collection of menstruation scenes from film and television this study examines and categorizes representations to unearth what they reveal about society and about our culture's continuingly fraught relationship with female biology Written from a feminist perspective menstrual representations are analyzed for what they reveal about sexual politics and society Rosewarne's thorough investigation covers a range of topics including menstrual taboos stigmas and fears as well as the inextricable link between periods and femininity sexuality ageing and identity *Periods in Pop Culture* highlights that the treatment of menstruation in the media remains an area of persistent gender inequality

Still Sexy After All These Years? Leah Kliger, Deborah Nedelman, 2006 Draws on interviews and conversations with women ages fifty to ninety five to shed new light on sexuality among older women discussing such topics as what happens to sexual desire after age fifty how older women keep passion alive how couples can remain physically intimate in the wake of injury or illness and more Original
