## Vampire Romance 2026 Guide:

Writers' Handbook 2026 J. Paul Dyson, 2025-07-10 The 2026 edition of firstwriter.com's annual directory for writers is the perfect book for anyone searching for literary agents, book publishers or magazines. It contains over 1 400 listings including revised and updated listings from the 2025 edition and over 200 brand new entries. Finding the information you need is now quicker and easier than ever before with multiple tables and a detailed index and unique paragraph numbers to help you get to the listings you're looking for. The variety of tables helps you navigate the listings in different ways and includes a Table of Authors which lists over 5 000 authors and tells you who represents them or who publishes them or both. The number of genres in the index has expanded to over 950. So for example while there was only one option for Romance in previous editions you can now narrow this down to Historical Romance, Fantasy Romance, Supernatural, Paranormal Romance, Contemporary Romance, Diverse Romance, Erotic Romance, Feminist Romance, Christian Romance or even Amish Romance. The new edition includes Over 600 literary agents and agencies, Over 350 magazines and Over 400 publishers that don't charge fees. International markets become more accessible than ever with listings that cover both the main publishing centres of New York and London as well as markets in other English speaking countries. With more and more agents, publishers and magazines accepting submissions online this international outlook is now more important than ever. There are no adverts, no advertorials and no obscure listings padding out hundreds of pages. By including only what's important to writers, contact details for literary agents, publishers and magazines, this directory is able to provide more listings than its competitors at a lower price. The book also allows you to create a subscription to the firstwriter.com website for free until 2027. This means you can get free access to the firstwriter.com website where you can find even more listings and also benefit from other features such as advanced searches, daily email updates, feedback from users about the markets, featured saved searches, competitions, listings, searchable personal notes and more. I know firsthand how lonely and dispiriting trying to find an agent and publisher can be. So it's great to find a resource like firstwriter.com that provides contacts, advice and encouragement to aspiring writers. I've been recommending it for years now. Robin Wade, literary agent at the Wade Doherty Literary Agency Ltd and long term firstwriter.com subscriber.

**Tide and shadow awakening - A siren/vampire/elf Academy Romance** NM Rudman, 2026-01-29 Lyra Selene Sires has always felt out of place in her ordinary human world. When she is taken to Aethercrest Academy, a school for Sirens, Vampires, Elves and Dragons, she learns she belongs to none of these races and somehow all of them. Her magic awakens violently, drawing dangerous attention from the shadows beneath the sea and from the councils who would prefer she never existed. **CRIMSON ANGEL MERCY AKA. THE SUPERNATURAL AGONY AUNT**,2024-09-12 **Vampires Don't Sleep Alone** Del Howison,Elizabeth Barrial,2018-11-13 The secret to a successful relationship is openness You have to know each other where you came from what interests you have in common and if you share the same tastes Can you live with each other's quirks and tics Do you love him for who he is or what he knows Does he love you as one might love a banquet Dating a vampire can be a slippery slope but it can also be an interesting and fulfilling period in your life There are challenges to overcome for sure like the possible age difference of hundreds or even thousands of years But what's a few years between lovers So what if he wants to feed from your circle of friends What difference does it make that he has had more sexual partners during his existence than the number of people you'll meet in your lifetime You're going to need help and this book has the answers Knowledge is power Give him a taste of you but maintain control Remember not even vampires sleep alone **The Vampire Relationship Guide, Volume 2** Evelyn Lafont,2013-10 Josie's come a long way from being an average human chick who just

wants to sex up a vampire She s dated mated and killed one of the world s richest vamps and is currently seeing a mysterious blood slurping hottie named Walker Now Josie must adjust to the realities of a steady relationship with a vampire which isn t all exciting parties hot sex and moonlit walks And with a vamp who s anxious to push their relationship to the next phase as mortality bears down on his human s fragile body the pressure for Josie to commit is on Can their night day romance survive leaving Josie s character and individuality intact or will the secrets of the supernatural community crush her spirit and her chance at a permanent vampire mate For more fun visit VampLure com EXCERPTPART 1 HOW TO GET YOUR VAMPIRE TO SHAREVampires are possessive with their property their lovers which are not more than a step above property their information and their personal history It is not often a human woman is lucky enough to find one who shares memories of his youth during post coital lounging After a lifetime of dating humans the best way for you to adjust to the possessiveness of your vampire lover is to revel in it accept it and take his attention for the compliment that it is Excerpt from VampLure MagazineChapter 1Dusty Texas is dusty Sure maybe not all of Texas is dusty but the part that my superhot vampire boyfriend and I were driving through was decidedly dusty Even in the dark of night which was when we had to drive I could see the powdery dirt rising from the road as our tires stirred it up Fortunately we didn t need to have the windows open in the old Ford since Walker the aforementioned superhottie had finally gotten the truck s air conditioning fixed Unfortunately Walker was pro nicotine and without the windows down I was stuck inhaling the obnoxious fumes of his chain lit smokes You know Nicotene o you might not get any sex tonight if you keep blowing your nasty ass cigarette smoke in my face I said Walker s head turned from the endless expanse of highway ahead and his eyes partially hidden behind hanks of his layered dirty blond hair found mine He lifted one eyebrow and quirked his thin lips in a smug sexy way that turned my genitals into a penis pep squad and had them sending an SOS up to my brain for some sexlike activity After sucking in and blowing out one more puff of smoke he answered me And why s that my little hyperbolic chamber If I were honest watching his thin but soft lips tug at the cigarette was one of the sexiest things ever but I didn t want those lips tugging at anything but my skin which meant I was actually jealous of tobacco Because your cigarette smoke makes my eyes red and that makes me tired It also gives me a headache and Josie a headache is the oldest excuse in the book and you re old enough to know I interrupted to fit in one of my favorite rankling comments Any human in a relationship with a vampire is automatically at a disadvantage in terms of life span strength and speed boning up on your banter and flinging it at every opportunity could be the only edge you ve got Of course you also need to be ready for your sexy blood aficionado to fling it back Exactly so don t think that s going to work on me I know how to get you where I want you headache or not As he spoke Walker s hand slipped from the steering wheel and onto my knee where it began a heroic and purposeful journey up my thigh     *Because the Night* Kylie Scott,2025-03-04
