 Mexico Geography Statistics say most kids know less geography than ever don't let that apply to your students Start by
 making sure kids know the main places geographic features in their own state Give them activities that pretend they are
 taking a cross state bike tour using free football game passes jogging through the state etc they'll find their way around in a
 hurry Geography activities include info on counties rivers museums historic places sites of interest colleges bordering states
 climate topography crops and more all ready to reproduce Approximately 30 activities and 200 geography related places and
 facts are covered Students work alone or in groups and use maps reference books or resource people to complete
 challenging riddles matching games word searches fill in lists scavenger hunts and completion exercises that reinforce
 learning sharpen research skills and provide a lively introduction to New Mexico **CD-ROMs in Print**, 2003 Subject
