Hills,2018-08-29 When Saigon fell to North Vietnamese forces on April 30 1975 the communist victory sent shockwaves around the world Using ingenious strategy and tactics H Chi Minh had shown it was possible for a tiny nation to defeat a mighty Western power The same tactics have been studied and replicated by

revolutionary forces and terrorist organizations across the globe Drawing on recently declassified documents and rare interviews with H Chi Minh's strategists and operatives this book offers fresh perspective on his blueprint and the reasons behind both the French 1945 1954 and the American 1959 1975 failures in Vietnam concluding with an analysis of the threat this model poses today

Tiedemann,1997 The question of why New Yorkers were such reluctant revolutionaries has long bedeviled historians In an innovative study of New York City between 1763 and 1776 Joseph S Tiedemann explains how conscientiously residents labored to build a consensus under difficult circumstances New Yorkers acted the way they did not because they were mostly loyalist or because a few patrician conservatives were able to stem the tide of revolution but because the population of their city was so heterogeneous that consensus was not easily achieved Differences within the city's pluralistic population slowed the process of hammering out a course of action acceptable to the large majority The consensus that finally emerged had to be cautious rather than militant in order to unite as many people as possible behind the revolutionary banner Ultimately the time it took was far less significant Tiedemann notes than the fact that New York proceeded to declare independence and went on to become a pivotal state in the new nation In framing his argument Tiedemann explains the limitations of interpretations offered by both progressive New Left and consensus historians Citing the work of scholars as diverse as Walter Laqueur Theda Skocpol and Louis Kreisberg Tiedemann pays close attention to the dynamics of British colonial rule and its impact on New York
