Garratt

Edsall,2025-07-29 This research work aims to present a solution to the problem of withering Christian congregations present in modern Christian churches by way of expounding the doctrine that Jesus or his apostles promoted as displayed in the four canonical Gospels the Acts of the Apostles or the New Testament epistles This study presents factual information showing that the doctrine and arrangement of leaders that developed within the first century church may have been overlooked and lost by the wayside of history in favor of established traditions Paul declared his purpose for visiting the church believers in Rome was not to collect money or build houses of worship but so that their lives might manifest spiritual fruit Following that example improving the spiritual quality of their people's lives should be the primary goal of all Christian ministers The majority of this work will conduct a careful exegesis of selected passages from the New Testament which focus on the leadership model utilized by the first century church This study presents in detail the stratified leadership model of the early times in such a fashion that any modern church might replicate its design **The Precise Parallel New Testament** John R. *Gladiator Sparticus* Yusun Yohance Beck, 2019-10-22 A fictional character is created as an example and he is meant to demonstrate a man that runs away from his calling only to find that his chief purpose in life was to fulfill his calling serving the Maker and trusting Him always An immortal from 480 BC is resurrected by the Creator after an arrow pierces his heart His job is to fight against the Prince of the Air and the principalities disguised as the mythological gods the shadow forces portrayers of light and criminals This historical fiction travels through 480 BC to 800 AD His powers are not his own for they are gifted from the Creator and they will be dulled if he refuses or turns away yet the Creator knows that he is going to make the right decision all along Sparticus meets many including Leonidas Alcibiades heroes Alexander the Great Spartacus and Julius Caesar During this compelling story he loses his wife his children are scattered and his nation is torn apart Afterward he runs from his mission for so long that he finally decides that there is no running from a deity that created

him the world and the entire universe Escaping an omnipresent omniscient and omnipotent being proves to be impossible Hence a turning point was the capture in Rome where he witnessed much and had seen one event that illuminated his mind thus he submits to the grand authority to take up the cost and faces off with his predetermined path around 800 AD taking on his first villain At the end of the day this is a Christian hero dealing with adult issues An imperfect man is saved by that same omnipotent deity undergoing a process where he struggles with his own selfishness before fully accepting the cost of the Great Commission
