

Christian New Year Poems

*Count your blessings, one by one,
See how much you've truly won.
In the tapestry of life, they brightly gleam,
Reminding you that life is but a dream.*

*Each day, a gift wrapped in gold,
A story waiting to be joyfully told.
From the simplest pleasures to grand delights,
Blessings are woven throughout life's sights.*

S. Di Piero, 2007 This selection of W S Di Piero's poems covering eight individual collections over the last quarter century and offering fifteen strong new poems is a chance to savor the career of a poet enthralled by the seductive music of life as it is lived Here are Di Piero's consuming preoccupations the pull of faith and the suspicion of transcendence urban worlds and the mysterious jazz of street language desire and sexual need and love and loss everything marked by what one early poem calls the bruise of chance Through it all Di Piero delivers what he has called in William James's phrase the hard bright particulars of physical existence No poet is more visceral these poems carry the sparkling tension and urgency of an artist who does not write or live intellectually but locally Di Piero's sensibility seems to spring from the mood on the streets of San Francisco or float down from the flung open shutters in his ancestors' Italian villages the economy of his language has its source in his native South Philly where When I was young they taught us not to ask Accept what's there Brick homes Your Show of Shows the mothball fleet and flaring oilworks Poetry exists not to simplify our sense of life and death but to absorb and express its complexities and mixed tones Di Piero has written Throughout this volume those tones are at play as this essential poet squares up in front of experience and all it brings *How to Seduce a White Boy in Ten Easy Steps* Laura Yes Yes, 2010-08-13 Laura Yes Yes sultry wry first book *How to Seduce a White Boy in Ten Easy Steps* dazzles us with its bold exploration into the politics and metaphysics of identity From fierce and funny sexual fantasias to cutting observations of interracial dynamics her work asks us to fully consider what it is to be human in an age of fragmentation and double meanings There are no easy answers here the voice of the liberated woman rings clearly as a man-eater in one moment and shudders under the weight of lost love in the next Laura skillfully navigates the trauma of being Other while acknowledging the absurdity of our perceptions of race With precise craft and breathtaking imagery *How to Seduce a White Boy* blooms as a ferocious celebration of life *The Apple-broadcast, and Other New Poems* Peter Redgrove, 1981 Side by Side Jan Greenberg, 2008-04-01 Features children's poems from all over the world that were inspired by works of art **New Poems, and Variant Readings** Robert Louis Stevenson, 2022-10-20 Reproduction of the original
