**Designing Adult Services** Ann Roberts,2017-11-01 Focusing on adult patrons ages 19 through senior citizens this book explains how libraries can best serve this portion of their community s population at different life stages and foster experiences that are worth the trip whether actual or virtual Adult library patrons are busier than ever before working taking classes and studying for advanced degrees caring for children helping their aging parents taking care of their homes or rental properties planning and nurturing careers managing investments and retirement funds and inevitably retiring Each of

these endeavors can require highly specific learning and education. Throughout their lives adults continue to have different information needs that the library and its services can fill. *Designing Adult Services Strategies for Better Serving Your Community* discusses the many ways libraries can serve adults of various ages and at different life stages covering online services collection development, programming and lifelong learning. This guide's unique approach simplifies the processes of designing and carrying out a successful adult services program for adult library users in all the various stages of life. The book is organized by age groups with the respective information needs and life challenges. Each chapter suggests programs, services and collection development strategies for the life stages. Public library administrators and managers as well as adult services librarians in public libraries will find this guide a must read. [Determining Living Expenses for Retirement](#) James W. Walker, Linda H. Lewis, 2009-12-15. This Element is an excerpt from *Work Wanted: Protect Your Retirement Plans in Uncertain Times* ISBN 9780132354646 by James W. Walker and Linda H. Lewis. Available in print and digital formats. Be prepared a realistic, indispensable new look at what you'll really be spending when you retire. You are likely counting on pension savings and health programs from your employer to sustain you in retirement. Combined with personal savings and Social Security you reasonably expect retirement to be enjoyable and secure. However many people underestimate their financial needs and overestimate their prospective resources. You may need to take a fresh look at your financial situation.

*Work Wanted* James W. Walker, Linda H. Lewis, 2009-01-27. This is the eBook version of the printed book. If the print book includes a CD ROM this content is not included within the eBook version. *Work Wanted* is a must read for all boomers who see more than a finish line for their career. Jim Walker and Linda Lewis bring new light to the concepts of aging, work and retirement in this great book. Marshall Goldsmith, executive coach and author of *What Got You Here Won't Get You There*. This book was perfect for me, a younger baby boomer. It helped me to create my roadmap to financial independence and addresses many questions I didn't even know I had. Carol A. Gallagher, Ph.D., bestselling author of *Going to the Top*. The best resource available for professionals interested in planning their older years. *Work Wanted* makes a persuasive case that we can and should make paid work an important part of our older years. Most of us want to keep some attachment to the work world as we move into the retirement years and *Work Wanted* tells us everything you need to know to do so. Peter Cappelli, George W. Marshall Professor of Management, The Wharton School and author of *Talent on Demand: Managing Talent in an Age of Uncertainty*. The Complete Action Plan for Every Baby Boomer Who Wants to Keep Working and Thriving. This is the definitive handbook for every baby boomer who wants, needs or expects to keep on working. You'll find practical, realistic, action-oriented advice for working on your terms, not someone else's. Reinventing yourself for your next stage of life, finding more meaning in the work you choose, protecting your finances and your lifestyle and a whole lot more. If you're a baby boomer and a professional, chances are you will live far into your 80s or beyond. That means you'll have 20 more years to actively work and pursue your interests. *Work Wanted* will help you make those years as valuable as you possibly can. Packed with practical

checklists references and case studies this book is organized for action not talk Drs James Walker and Linda Lewis first explore the myths falsehoods and obsolete conventional wisdom about aging and retirement that stand in your way Drawing on their experience working with companies and individuals facing these issues Walker and Lewis help you realistically assess the challenges you'll actually face from your real income needs to your changing goals Discover why a growing shortage of experienced people will give you more workplace leverage than ever before Then learn how to implement an action plan to keep working on your own terms at your current company if that's what you want Ready to move on Work Wanted will support you in reinventing yourself pursuing more meaningful work acquiring new skills and even mentoring your new younger colleagues Whatever you want to do this book will help you stay vital happy and healthy while you're doing it not just for years but decades Boomers without boundaries Transform the landscape of work and retirement one choice at a time Chart your own future and make it happen Define the value you will add and the difference you will make then
