New Testament Blueprint For The Church:

Blueprint for a Revolution: Building Upon All of the New Testament - Volume One Reed K. Merino B.A. M.

Div.,2021-07-23 What if for more than fifty years you worked hard to research the New Testament without denominational filters And then what if you were to organize that research by subject matter Well that is what I have done in these two volumes of Blueprint for a Revolution Building Upon ALL of The New Testament What follows is a catechism of apostolic true Christianity It is a body of teaching that flows out of taking all New Testament teachings in a grammatically natural and literal sense the way we instinctively read all serious literature Testimony from the earliest Christians is also presented demonstrating that what those earliest churches taught and lived out was typically identical to what you conclude when you take the New Testament doctrines commands and promises in that same sense In those many years of research I have never come upon a single church or book that provides a specific set of principles a k a exegetical method by which all Biblical passages are to be interpreted and that has then set about to consistently surrender to those principles in all the subjects that it covers My claim therefore is that this is the only such catechetical work that does just that The importance of this book does not lie mainly in the specific conclusions of any individual chapter and certainly not in any of my literally skills at presenting those conclusions It lies largely in the juxtaposition of teachings that are often thought to be in conflict with each other only because the traditions that hold to the beliefs in those chapters have been in conflict with each other It is my contention that what Jesus considered to be my church is what is taught within these chapters the church that is an incarnation of His kingdom of God

Blueprint for a Revolution: Building Upon All of the New Testament - Volume Two Reed K. Merino B.A. M.Div.,2021-08-31 The Importance Of The Church God s Kingdom Among Men There is no need more urgent on our planet than that apostolic Christianity should be restored Considering the desperate conditions that exist on this planet that is a bold statement indeed Can the establishment of a religious organization really be more important than the resolution of the world s desperate problems Properly understood the answer is a resounding yes You see if the churches were to enter into the Biblical teaching and obedience described in the following chapters she would provide a form of human society within which none of those wretched conditions mentioned above would ever need exist again Hear this Christian Christ in His church is God s solution to all human needs and problems not just its supposedly religious ones The thesis of this book is that within the society of the Church of Christ and only within that divine society there is such a solution a solution that actually used to exist and a solution that God intends to restore When the Kingdom of God is manifested on the earth a visible society is created As created by God the church is that society of regenerated humans who have accepted Jesus as the divinely appointed ruler of the entire race of man Her charter includes a demonstration of how the entire race of humans could function if they yielded to the authority and the Spirit of Jesus His church is the sphere where God s plans for the total man and for every aspect of human society are accomplished Indeed His church is the true form of human society

such is her call such is what is necessarily implied in being Christ's body a chosen race a holy nation the people of God A New Testament Blueprint for the Church John Moore, Ken Neff, 1985 **In Search of the New Testament Church** C.

Douglas Weaver, 2008 When John Smyth organized the first Baptist church he wanted to establish the New Testament church believer's baptism was the missing link Baptists of subsequent eras often continued the search to embody New Testament Christianity Alongside the quest for the New Testament church and congregational community Weaver especially highlights the Baptist commitment to religious liberty and the individual conscience Both chronological and thematic this book addresses such themes as the role of women the social gospel ecumenism charismatic influences and theological emphases in Baptist life **The Bible Blueprint** Joe Paprocki, 2010-06 A highly informative yet fun approach to understanding the world

is all time best selling book It's pretty hard to build a house if you don't know how to read a blueprint In the same way it's difficult to develop your faith if you don't know how to read the Bible or are reluctant even to open it In The Bible Blueprint best selling author and popular speaker Joe Paprocki cleverly uses a blueprint metaphor to help Catholics gain a solid understanding of the structure and organization of the Bible and to help them build confidence in navigating its pages Among other topics Paprocki covers the different genres of biblical writing key figures in biblical history and the methods Catholics rely on to interpret the Bible Readers are also shown how to consult commentaries concordances and other valuable tools of Bible study to deepen their understanding of God's Word Witty cartoons sidebars and quizzes throughout the book keep the tone fun and engaging eight perforated Bible bookmarks are bound into the book For the large number of Catholics who have never felt comfortable with the Scriptures and for any Catholic new to the faith The Bible Blueprint serves as an effective nonthreatening introduction to God's Word as well as a gateway to a deeper relationship with Christ **Paul's**

Understanding of the Church's Mission Robert L. Plummer, 2006-06-01 Did Paul expect his churches to engage in evangelistic activity which mirrored his own Or have modern readers of the Bible wrongly projected Paul's apostolic passion upon the communities that he founded Such is the charge of several recent authors and if their thesis is correct nothing could have larger implications for how the modern church engages in mission In this book Robert L Plummer engages in a careful study of Paul's letters to determine if the apostle expected the communities to which he wrote to engage in outward directed missionary activity Plummer helpfully summarizes the discussion to date on the debated issue judiciously handles contested texts and provides a way forward in addressing this critical question While admitting that Paul rarely explicitly commands the communities he founded to evangelize Plummer amasses significant incidental data to provide a convincing case that Paul did indeed expect his churches to engage in outward directed missionary activity Throughout the study Plummer progressively builds a theological basis for the church's mission that is both compelling and distinctively Pauline

Is There a New Testament Church Blueprint? David Dunlap, 1993 **The Apostolic Pattern** Jim Rogers, 2013-06-25 The primary source of disagreement in the religious world is a departure from the New Testament pattern given by the

apostles with churches relying instead on opinion for authority in religious practice and doctrine By abandoning the apostolic original Christ s church has been left behind producing today s debate and division The only way to achieve the unity Christ prayed for is a return to the pattern He gave through His apostles What is that pattern how is it gleaned from scripture and how is it applied in the 21st century Rogers shows that by letting the Bible speak for itself employing the same methods to interpret scripture that were used in New Testament times a clear set of expectations emerges a blueprint for the church s faith practice and purity All who follow it will stand shoulder to shoulder with the first century Christians teaching for doctrine only what they taught organizing as they were organized and worshiping as they worshiped The apostolic pattern is thus a blueprint for Christian unity the only ground upon which everyone may stand with complete assurance that all they do is pleasing to God

Promise and Presence John E. Colwell,2011-09-22 John Colwell presents a robust sacramental theology for Protestant churches He maintains that a doctrine of the Trinity leads us to conceive of God s gracious engagement with his creation as one that is mediated through that creation And this lies at the foundation for an understanding of the sacraments Colwell further argues that the Church and Scripture confer context definition and validity on all other sacramental events The final section reconsiders the seven Sacraments of the Catholic tradition in the light of the understanding of sacramentality developed earlier in the book baptism confirmation the Lord s Supper cleansing healing ministry and marriage Colwell discusses the Sacraments from an evangelical perspective but with a committed ecumenical intent

Mainline to the Future Jackson W. Carroll,2000-01-01 While others lament the declining attendance of mainline churches and blame it on an out of date tradition Jackson Carroll offers a more hopeful perspective arguing that they key to future vitality can be found in the same tradition According to Carroll the tension between tradition and change has always been part of the Protestant heritage and he argues that now is a time when being faithful requires adaptation

God's Blueprint Joshua Sells,2025-11-26 What if all you had was a Bible and no tradition no denominational history and no preconceived labels God s Blueprint How the New Testament Pattern for Christ s Church Led Me to Be a Baptist is a fresh Scripture saturated journey into one of the most practical questions Christians face today Why do we go to the church we go to and does the name on the sign really matter Attorney and Evangelist Joshua M Sells invites readers to lay aside second hand assumptions and walk passage by passage through the New Testament with a single honest question If all I had was the King James Bible KJB what kind of church would I believe Christ intended This book does not chase denominational pride or recycle inherited tradition Instead it follows the Scriptures themselves carefully humbly and logically through salvation baptism church order authority independence doctrine separation discipline and identity The surprising result The New Testament blueprint leads straight to what has historically been known as a Baptist church not because Baptists are perfect but because this name most faithfully reflects the pattern Christ left for His churches Inside this book you will discover Why the New Testament always ties baptism to local church authority and why that matters today Why Paul s warnings about

false unity still apply in the modern age of vague community churches How church labels serve as confession clarity and witness in a world full of religious fog Why God works there is never a biblical reason to abandon the pattern ourselves How guardrails protect the next generation and why our kids need clarity not ambiguity A gracious Scripture first answer to the most common objections Isn't this just tradition Aren't labels divisive Isn't this secondary Aren't we Baptist on the inside

Revelation Christine Paxson, Rose Spiller, 2021-08-17 Have you ever wanted to read the Bible but found it intimidating Have you ever read parts or all of the Bible but come away more confused than ever Does it seem like there are contradictions in the Bible Why is there an Old Testament and a New Testament Does the Old Testament even matter to Christians today How do the sixty six books of the Bible fit together Is there an overarching theme If you have asked yourself any of these questions or others you are not alone The Bible Blueprint divides the entire Bible chronologically into six easy to read parts It provides a basic understanding of Scripture as a complete story that links all the various books together It gives an overview of each book touching on highlights and some of the amazing and significant events in each without the reader getting bogged down in the more difficult sections There is no substitute for the actual Bible it is not only fascinating it is the life giving life saving life transforming Word of God so The Bible Blueprint is not a replacement for the Bible but it will whet your appetite to dig deeper into God's Book for yourself while giving you the confidence to do so **From the Ground Up** John Scott Horrell, Veteran pastor professor and church planter Horrell suggests that the customs patterns and structures of churches may actually be barriers to what God's purposes for the church really are **Leadership in Christian Ministry** James E.

Means, 1989 **The New Testament Pattern** Chad Sychtysz, 2023-03-10 What passes for Christian religion today is appalling People call Christ Lord but do not listen to what He says Churches claim the Bible is God's word yet promote human teachings that defy biblical authority Modern Christianity is often more about gratifying human expectations than honoring divinely revealed truth Those who honor Christ as the head of His church will follow His full instruction Yet it is impossible to honor Him while at the same time doing whatever seems right in one's own eyes All resistance against Christ is a form of unbelief no matter who does the resisting The correction to all religious error is simple and doable return to Christ's original pattern the New Testament instruction This pattern defines how Christians are made how they are to live and how they are to function collectively You do not have to be a biblical scholar to read and understand the pattern All you need is an open Bible an open heart and a genuine desire to learn God's word in its proper context **Effective Church Planting** Dr. J Hernes Abante, 2016-10-24 Building a strong growing and vibrant New Testament Church can be very challenging Part of the challenge lies in the dearth of literature on the subject Effective Church Planting A Primer on Establishing New Testament Churches in the Millennium is Dr J Hernes Abantes humble personal contribution to the enrichment of knowledge regarding

the divinely appointed task Make no mistake this is not about the construction of churches using lifeless bricks and mortar but of people quickened by the Spirit the joy set before Jesus Christ for whom He endured death even the death on the cross This is part guidebook part biographical sketch and Dr Abante draws from his ecclesiastical experience of over four decades to provide men called by God an easily readable instantly edifying blueprint for starting churches that not only grow but also remain true and faithful to the work the Almighty commanded it to do The enduring vitality of the International Bible Baptist Church and ministries where Dr Abante is the senior pastor stands as an undeniable attestation of the effectiveness of Dr Abantes methods particularly in obtaining the favor of God from which comes all increase An invaluable reference that ought to be within reach of every pastor and preacher of New Testament churches *Church Blueprints*: Alton Williams,

Sr.,2022-10-22 In the Old Testament God told Moses to build His tabernacle according to the pattern He had given him As a result God s glory would manifest in that building Today we are not building a physical structure but rather a spiritual structure with various New Testament principles and elements If we include these biblical characteristics in building our churches today we too will see a manifestation of His glory Church Blueprints Building the New Testament Church According to Pattern by Apostle Alton R Williams highlights the major elements needed and will serve as a blueprint for any pastor in building today s church *Acts 19* Bert M Farias,2023-12-28 This book is gold It will definitely add to the apostolic reformation the Church finds itself in today and it has the quintessential dynamite to ignite an explosive local and global movement and realignment Written in the prose style and spirit of the wise scribes and householders it will pierce every sincere reader s heart and reveal the true blueprint for the glorious Church It will also offer a stern warning to keep the lampstands churches from being removed from their place and burning brightly throughout each generation Revelation and spiritual understanding will be the portion of those who have ears to hear what the Spirit is saying to Christ s churches today
