How the Bible Actually Works Everest Media, 2022-09-09T22:59:00Z Please note: This is a companion version, not the original book. Sample Book Insights: 1 I love the Bible. I want to help you love it too. The Bible was not designed to provide clear answers. It was designed to provide spiritual guidance. When we come to the Bible expecting it to be an instructional manual, we are actually creating problems for ourselves. 2 The Bible is not a source book for certainty in matters of faith. 3 The Bible is not a source book for certainty in matters of faith. It is ancient, ambiguous, and diverse, which are not rough patches along the way that we need to deal with, but rather what makes the Bible worth reading. 4 The Bible was not designed to provide clear answers. It was designed to provide spiritual guidance. When we come to the Bible expecting it to be an instructional manual, we are actually creating problems for ourselves.

Unchaining the Lion Caleb Eissler, 2015-10-16 Does God exist? How can a good God allow pain and suffering? Can we trust the Bible? Is Jesus a copy of earlier pagan gods? Is Jesus the only way to God? What does the Bible actually say about homosexuality, transgenderism, and abortion? Did Jesus actually rise from the dead? After living as a strong Christian for most of his life, Caleb Eissler began to seriously doubt the very beliefs he had so tightly held to. When he entered college, he began wrestling with these very questions. Eissler realized that Christianity had to answer these questions, and more, if it was to be taken seriously. Ready to walk away from his faith if Christianity was found to be false, he embarked on a journey to find the truth. After years of research, Eissler's faith wasn't just sustained but transformed. He not only found the claims of Christianity to be true but also to be even more amazing than he had ever imagined. Eissler's doubt, research, and soul searching fueled a new passion to help others rationally think through the same questions he had encountered. *Unchaining the Lion* is the culmination of Eissler's research and passion. *Unchaining the Lion* sets out to bridge the gap of misunderstanding between Christianity and secular culture by laying out the claims and evidence for Christianity while addressing countless objections and questions along the way. To non-believers, Eissler provides a coherent and easy-to-follow explanation of the beliefs and the defenses of Christianity.

while challenging them on their presuppositions about the world the Bible and God To Christians he provides a solid and deep defense of the claims of their faith that will surely help any believer Unchain yourself from the shackles of doubt towards Christianity as Eissler shares a truth that the world must hear *Biblico-theological Lexicon of New Testament Greek* Hermann Cremer,1892 *The Great Texts of the Bible: II Corinthians and Galatians* James Hastings,1913
