Hollow Karina Halle, 2023-09-28 A sexy dark fantasy reimagining of *The Legend of Sleepy Hollow* where Katrina Van Tassel doesn't have to choose between Brom Bones and Ichabod Crane and there are worse things haunting them than the Headless Horseman Kat Van Tassel's life was predestined from childhood she was to marry her best friend Brom Bones But Brom vanished from Sleepy Hollow years ago leaving Kat alone to enroll in Sleepy Hollow Institute a shadowy university for advanced witchcraft run by her powerful family And now she finds herself drawn to the school's enigmatic new teacher Ichabod Crane as he delves into dark magic When Brom returns suffering from amnesia and a dark transformation the trio must confront gruesome murders attributed to a vengeful spirit The Headless Horseman while navigating their tangled relationships As Kat Ichabod and Brom seek answers their bonds deepen and forbidden desires take hold But Sleepy Hollow holds secrets more sinister than they imagined The Headless Horseman lurks threatening to claim them while something even more terrifying looms in the shadows Embark on a journey of dark mysteries desire and danger in the eerie heart of Sleepy Hollow *Chapter and Verse* Peter

Brown, 2026-02-24 Presents a personal and thematic journey through English literature from Chaucer to the present *Chapter and Verse* A Reader's History of English Literature offers a compelling reimagining of literary history one that places the reader's experience at the heart of the narrative Unlike traditional surveys of English literature that prioritize chronology and critical consensus Peter Brown's approach emphasizes the subjective evolving relationship between reader and text This unique perspective addresses a long standing gap in the field emphasizing the emotional and intellectual engagements that shape how literature is received remembered and reinterpreted across a lifetime Structured around thematic chapters such as Performance Fragments and Home *Chapter and Verse* spans the medieval to the contemporary exploring Chaucer Shakespeare Eliot and other canonical figures alongside neglected or overlooked authors such as Charlotte Dacre and Abdulrazak Gurnah Each chapter blends literary analysis with personal narrative beginning with formative reading experiences and culminating in a scholarly vantage point honed over decades of teaching The result is both intimate and

instructive offering detailed engagements with texts and authors contextualized within broader literary movements Uniquely integrating personal memoir with a thematic and chronological overview of English literature Chapter and Verse Explores literature's emotional and transformative power through lived reading experiences Reflects decades of university level teaching across the full span of English literary history Provides accessible entry points into complex literary periods through thematic framing Includes notes and recommended readings at the end of each chapter to encourage further exploration Offers a fresh pedagogical approach that highlights how personal engagement can enhance critical analysis Chapter and Verse A Reader's History of English Literature is a must read for advanced secondary students undergraduates and postgraduates studying English literature as well as general readers seeking a more personal connection to the history of English literature
